GC to Sell 26 Lots At Quonset Hut Site

Legality of Procedure
Questioned by Solon;
Budget to Be Unveiled

Sale of 50-foot lots at the city-owned beach located between Poplar and Cedar streets in Lincoln Place was authorized Monday night by Granite City council members.

The ordinance was approved unanimously, although Alderman Charles Moerlein said he questioned the legality of selling city property at a fixed price rather than to the highest bidder.

The 26 lots are to be sold on a first-come-first serve basis for \$925 or \$1000, depending on location, and primarily for West Granite and Lincoln Place residents whose homes are on the right-of-way for the new riverfront roadway.

Federal Aid Route 151. In other major action Monday night, the council moved up the time for next Monday night's meeting to 7 o'clock to take a first look at the proposed budget for 1964-65, revamped its 30-year lease with the U.S. Army for a sewage treatment plant site at the Granite City Army Depot, and after much debate authorized former motor fuel tax engineer David Johnson to proceed with engineering for West 24th avenue MET improvement projects, subject to state highway department approval.

The city's block in Lincoln Place, where the police department's firing range building now stands, initially was used after world war II as a quonset hut housing project for returning veterans. The firing range is scheduled for relocation because of the FA Route 151 routing along the east fence of the Army Depot.

Prices Set by Appraisal
Thirteen of the lots have been appraised at \$1000 to \$1050 each, at \$1000 each, Moerlein said he doubted the legality of the method of sale and that complications could set in as the city tried to aid persons who will lose homes to the highway.

Five checked, with an attorney, and be advised he the only way the city could sell the property was to higher bid money. Moerlein told the council, City Atty. George Filloff Jr. was not present, and Mayor Davis explained he is on Army reserve duty for two weeks.

Moerlein said he agreed with the idea that the city should sell the property at a fixed price. (Continued on page 26, col. 4)

BIRTHS
Births recorded at St. Elizabeth Hospital:
GIRLS
Mr. and Mrs. Jerry Yeager sr., East St. Louis, June 16, Sherry Althia, six pounds, six ounces.
Mr. and Mrs. William Heath, 2730 Sunset drive, June 16, Sharon Renee, seven pounds, six ounces.
Mr. and Mrs. Don Corryell, 1929 Third street, Madison, June 16, Mary Jane, six pounds, four ounces.
Mr. and Mrs. Gary Flinn, 3224 Rodger avenue, June 16, Peggy Ann, six pounds, nine ounces.
Mr. and Mrs. Robert Fitzhugh, 171 Voight place, June 16, Lisa Fay, seven pounds, four ounces.
Mr. and Mrs. Donald Lee, 4708 Lake drive, June 16, Kelly Ann, five pounds, seven ounces.
Mr. and Mrs. Dale Beck, 2664 Adams street, June 17, Julie Lynn, eight pounds, one and one-half ounces.
Dr. and Mrs. Robert Hill, 2627 Delmar avenue, June 17, seven pounds, 11 ounces.
BOYS
Mr. and Mrs. Richard Kallay, East St. Louis, June 15, Anthony, seven pounds, 14 ounces.

James M. Daniels of Venice, who has been appointed as assistant chief clerk of the automobile division of the secretary of state at Springfield.

James Daniels Named To Springfield Post

James Milton Daniels, of 124 Grammer street, Venice, has been appointed as assistant chief clerk of the automobile division of the secretary of state at Springfield.

He succeeds Richard Schumacher, who was named superintendent of the division. The salary range for the position is \$865 to \$885 per month.

Daniels, 29, has been employed as a toll collector on the McKinley bridge. He is a member of the Knights of Columbus, St. Mark's Holy Name Society and is a cubmaster for a Venice pack.

He attended St. Henry's preparatory seminary, Belleville, Assumption high school, East St. Louis, and St. Louis University with business and fine arts majors.

He is married to the former Rosemary Roddy, a teacher in the Venice school system. They have one son. His parents are Mr. and Mrs. Lorraine Daniels, 200 Kerr street, and his father is employed by the Union Electric Co.

**Farmers Ready to Harvest
Bumper Crops of Wheat**
With their annual wheat harvest to begin early next week, farmers are expecting a rich and early wheat crop this year, perhaps as good as the record crop of 1963.

Farmers and granary officials agree that this year's harvest in the county, along with St. Louis, is the best in years. Production in Illinois, which will be almost as large in both total and bushels per acre as in 1963, when Cargill Granary of Granite City handled three and one-half million bushels and many local farmers had a crop of over 40 bushels per acre.

Howard Kaseberg, Granite City farmer, who has 280 acres in wheat, pointed out that this year's harvest is about a week earlier than normal, a sign of favorable weather during winter and spring.

Donald Wozniak, superintendent of the Granite City grain elevator, predicted a general harvest, in contrast to a regional one moving from the south. He said, "The weather has been just what we need."

Arnold Schneider, general manager of granary operations, noted that last year Madison county's wheat averaged well over 40 bushels per acre, while the national average was about 35 and that of Illinois, one of the leaders in wheat, was 35. Kaseberg said that there has been little winter kill this year due to rain, wind or hail damage, continued excessive moisture or the presence of a mildew. The good cover of snow throughout most of the winter is responsible for such favorable conditions, he said.

The harvesting season normally extends from three to five weeks. Madison county mainly produces soft wheat, the sweeter grain used in pastry flour. Hard wheat, which usually has a smaller yield per acre, is the coarse, strong grain used in bread flour.

Radars To Be Used By Night Patrol

Granite City's radar unit will be operated at night in a new measure to enforce traffic laws, officers of Police Raymond Willard warned motorists today.

There will be no advance notice as to when or where the unit will be located, he said. The unit has been in operation nearly every day recently, and yesterday arrested five drivers were arrested on speeding charges.

Madison Police Dog Subdues Man Who Shot Up Tavern

Clifford Hamilton, 23, of 3322 Edgewood road, went on a sudden shooting spree in Lesko's tavern, 608 McCambridge avenue, Madison, at 8:30 p.m. Monday and a bullet grazed the left knee of a woman patron.

A police dog was credited with his capture and for prevention of additional violence. The victim was Rose Billick, 48, of 211 Madison avenue, Madison. Hospital treatment was not required.

After fleeing the tavern, Hamilton was arrested in the rear of a house in the 1900 block of Blackwell avenue by Madison police who gave full credit for the capture and possible prevention of more shooting to Madison's police dog "Sir Kelly."

Hamilton was charged with reckless conduct in carrying a handgun yesterday by Edgewood Magistrate Earl Vuagniaux and was released on \$1000 bond, with a hearing pending a hearing before Vuagniaux on June 26.

Madison police said that Chief Emmett Piaz and Officer Edward Zaborka were watching the front of the house and kept Frank Dufko went to the rear with the police dog. As he entered the house, the dog bit him. (Continued on page 22, col. 5)

Venice Initiates New Bridge Lights

Venice city officials and representatives of the Illinois Power Co. participated last night in a ceremony that turned on the newly-installed mercury vapor lighting system on McKinley bridge. The switch turning on the power was thrown at 8:30 p.m. by James Miller, Venice alderman, heads of the light company; Carl Mathias, district manager of the Illinois Power Co., and J. G. Schmitt, vice-president of Illinois Power Co.

The new lights were installed by the city of Venice at a cost of approximately \$40,000, provided out of bridge revenue funds. Work was begun about three months ago. A total of 900 high watt lights were installed. The work was done by Dron Electric Co.

19 DAYS WITHOUT QUAD-CITY TRAFFIC DEATH

As a reward for their services, four cash prizes will be awarded. The largest, in the amount of \$25, will be awarded to either of the organizations which collect the largest amount of donations.

Nameoki Twp. Gets \$19,000 Grant for Sewage Treatment

Nameoki Township Supervisor Harry Briggs said he was "very pleased" when informed Tuesday by the Press-Record that the township has received a federal planning grant of \$19,000 to complete the first stage of its extensive sewage program.

The newspaper learned of the grant, to cover costs of advance planning for sewage treatment facilities, through the office of Congressman Melvin Price. Price said construction is expected to begin in the spring of 1965.

"We may be ready by this fall," Briggs said. He noted that only soil tests and the taking of options on property for the three proposed treatment sites remains to be done. "We're moving faster than the government," he said.

The grant, to be repaid through revenue bonds, was made through the Community Facilities Administration of Housing and Home Finance Agency.

Briggs said the township was now ready to apply for an advanced planning grant of about \$35,000 to complete the preconstruction survey. "We've done most of the paper work. We may be finished building by the end of next summer," he stated.

The sewage treatment project is part of the township's \$175,000 sanitary sewer program. Three sewage treatment units at State Park, Pontoon Beach and Clintonville, and a complete sewer system are included. H. W. Lochner Co., engineers, are handling the planning.

Public Hearing Set on 2-Year Highway Program

GC Wins Traffic
Safety Award for '63

Granite City has been placed on the American Automobile Association's "Honor Roll of Cities" for 1963 in recognition of the city's "outstanding safety record." The city council was advised by letter Monday night.

In an effort to maintain safe conditions with a large enrollment in summer school sessions, the council later in Monday's meeting authorized the employment of school crossing guards at three schools where the classes are being held.

The guards are assigned at Frohardt, Nameoki and Marshall grade schools. The automatic signal light at the 20th street crossing near Emerson school also continues in operation.

The guards are assigned at Frohardt, Nameoki and Marshall grade schools. The automatic signal light at the 20th street crossing near Emerson school also continues in operation.

Madison Schools May Borrow Money To Cover Budget

The Madison school district budget for the next school year will have added expenditures of \$24,340 in the educational fund, an amount the district does not expect to have. Vernon Brown, superintendent, told board members at a meeting Tuesday night.

The proposed educational fund budget totals \$1,023,543, compared to the \$999,203 figure for the current fiscal year which will end on June 30.

"We will not have the difference unless we are very tight or we get additional income from railroad tax settlements of other unknown sources," Brown said. "If not, we will have to borrow, and we have not borrowed money for the past 12 years."

\$18,000 Salary Increase
The principal increase is \$18,000 in teachers' salaries and provides for a new elementary school teacher, a new high school teacher and an outside driver education teacher. Starting the driver education program will cost \$11,000, Brown noted.

Other educational fund increases include \$17 for the school nurse who has received a master's degree, \$33 more for insurance and \$200 for added telephone service at the high school.

The total amount of increase is \$30,340, but the board adopted a resolution transferring a \$14,000 heating account from the educational fund budget to the general fund budget, and the athletics account was reduced by \$1000 to \$2000. Brown said most purchases of athletic equipment could be charged to the athletics revolving fund composed mostly of gate receipts.

Building, Lunch Budgets
The proposed building fund budget is \$201,757, compared to \$187,744 and reflects the \$14,000 heating item, and the proposed school lunch budget is \$75,000, unchanged.

Brown said a tentative budget (Continued on page 22, col. 8)

State to Present Area Plan Next Wednesday At City Hall in GC

Improvement of 25th street between Madison avenue and Adams street is new construction to North street at Missouri avenue is proposed in a 20-year highway development plan for the Quad-Cities area which will be outlined by highway officials at a special 7 p.m. session of the Granite City council next Wednesday.

The project is recommended to provide better means of access between the central portion of Granite City and the industrial and port areas west of the city along the proposed Federal Aid Route 151 expressway.

Mayor Davis announced plans for the public meeting during Monday night's council session and stressed it will be the first report to the city of the 20-year highway development program as prepared by the Chicago engineering firm of H. W. Lochner Co. for the Illinois Division of Highways and the U.S. Bureau of Public Roads.

The Press-Record learned that the report, in addition to the street improvement project, also urges improvements on Illinois Routes 205-162 calling for new collector streets as residential areas are developed and extension of the major street configuration easterly from 20th street to the Collinsville-Granite City road extension.

Extension of the Collinsville-Granite City road eastward to 20th street is to connect with new collector streets in the Granite City area also is recommended in the report.

Referring to the 25th street improvement, the report said this will provide a continuous improvement from the canal eastward, intersecting major streets such as Madison avenue, Adams street and Missouri avenue, and connecting on the east to August avenue which, in turn, connects to 23rd street and Edwarsville road.

Details of the proposed FA Route 151 and eventual extension of the route to East St. Louis, including Old Route 2, are contained in the report and will be presented in the meeting, at which time the recommended improvements in various sections of the Quad-City area.

Route 111 Expressway
Route 111—extension to expressway standards of section south of Pontoon road to Interstate 55-70, along eastern section of Granite City, involves several bridges and railroad signals.

Interstate 255—extension of present north to join Route 111 near south end of Horseshoe Lake.

Recommendations early improvement, extension from Edwarsville road to 20th street, improvement of a four-lane major street with parking on both sides between Edwarsville road and 23rd street.

Pontoon road—Recommend a four-lane major street improvement to the west of Marvyle road and a two-lane major street with parking on both sides between Edwarsville road and 23rd street.

Recommendations early improvement, extension from Edwarsville road to 20th street, improvement of a four-lane major street with parking on both sides between Edwarsville road and 23rd street.

Pontoon road—Recommend a four-lane major street improvement to the west of Marvyle road and a two-lane major street with parking on both sides between Edwarsville road and 23rd street.

Regional Planning Group to Organize Today at Bi-State

Rev. J. H. AMSBURY, formerly of Galatia, Ill., who has assumed the pastorate of the Dewey Avenue Methodist Church, 2138 Dewey avenue, succeeding Rev. Raymond Switzer who has been assigned to the Methodist Church on College, Ill. Rev. Amsbury served two years in Galatia, formerly was a conference missionary evangelist of the Methodist Board of Evangelism.

An organization meeting of a regional planning coordinating committee for the two-state metropolitan area will be held at 4 p.m. today in the office of the Bi-State Development Agency in St. Louis.
Leo A. Fisher, Bi-State chairman, said representatives of Rev. M. Whitton, administrator of the Federal Bureau of Public Roads, and William Slayton, commissioner of the Urban Renewal Administration, will attend.
They are E. H. Holmes, director of planning for the bureau, and Garland E. Marple, chief of the urban planning division. Richard Ives, deputy assistant commissioner for urban planning, will represent the Housing and Home Finance Agency.
Fisher indicated that though the agency had been assured informally that the proposed East-West Gateway land use and transportation study was the type of planning process which met the full requirements of Section 9 of the Federal Aid Highway Act of 1962, he thought that having representatives of both Washington bureaus present would afford an opportunity for the members of the committee to obtain clarification of doubtful points. The result would be a more clear understanding of the exact form of cooperative planning required for a bi-state metropolitan area such as this.
He said that in accordance with the recommendations in the program outline for the East-West Gateway land use and transportation study, invitations had been extended to seven key governmental organizations each in Illinois and Missouri.
He added that though he had not received positive responses from some of them, he anticipated that all would be represented at the meeting.
A regional planning coordinating committee is required if the area is to remain eligible for federal funds in highway programs under the highway act of 1962.

Teacher Certification Law Changes July 1st

Changes in the Teacher Certification laws were announced today by County School Supt. Wilbur R. L. Trimpe.

After July 1, a person in order to obtain a teaching certificate in Illinois, must hold a Bachelor's degree. Prior to June 30, a provisional certificate may still be obtained on the basis of 90 semester hours' credit, nine of which are in the field of professional education. Applications for this certificate must be filed before June 30. The law does not provide any extension of time and none will be granted.

Prior to July 1, the student teaching requirement could be waived upon presentation of evidence of three years of successful teaching experience on a valid certificate and graduation from a recognized institution with a bachelor's degree with not less than 120 semester hours and a minimum of 16 semester hours in professional education. The State Teacher Certification Board, by official action, has ruled that an applicant for waiver of student teaching by three years' experience may have until Sept. 1, 1964, in which to remove any academic deficiency for the bachelor's degree or deficiency in professional education. This gives the applicant the advantage of the 1964 summer school term. However, the better requesting waiver of student teaching must be on file with the county superintendent before June 30, Trimpe said.

House to Act on \$1,300,000 Fund For GC Lock 27

An appropriation of \$1,300,000 for completion of alteration work on Chain of Rocks lock 27 is contained in the new public Works appropriation bill that has been approved today by the House Appropriation committee in Washington.

The work, which got underway early last March, includes the raising of the west wall and miter gate and construction of a cofferdam at lock 27, at a contract price of \$1,695,000. The work is being done by the American Construction Co. which submitted the low bid last February.

Marshall Gray of the U. S. Army Engineers, St. Louis, said the work now is 15 per cent complete and that the construction should be finished by March 1965. The work was begun with funds remaining in last year's appropriation and the new allotment of \$1,300,000 will provide the balance necessary to complete the job.

The appropriation bill also includes an item of \$2,000,000 for construction of dikes and revetments in the Mississippi river at various points from the mouth of the Granitic City locks to the mouth of the Ohio river. These constructions, Gray said, are necessary to maintain minimum depths in the channel.

The Public Works bill provides a total of \$1,178,308,200 for civil works activities of the Corps of Engineers, an increase of \$28,944,200 over the budget estimate of \$1,149,364,000. It was expected to go before the House for action this week.

IVC Officer Advises Veterans on Insurance

The Illinois Veterans Commission is advising world war II veterans who have National Service Life Insurance under the five-year term plan to re-evaluate their insurance needs and give serious thought to converting to a permanent type of insurance.

Joseph D. Wetton, IVC service officer at the city hall building, said the average veteran is 41 years old and has reached the insured age where the premium rate on term insurance is beginning to increase rapidly, and at age 55 the premium rate would be \$1.77 per thousand dollars of insurance.

Wetton said there are several important advantages of permanent plan over term insurance—cash value, paid up or extended insurance protection and loan privilege.

He invited veterans to his office to discuss their insurance program and offered to assist them in converting their term insurance, bringing the beneficiary designation up to date or assist them with any other insurance they may have. His office is open from 8:30 a.m. to 4:30 p.m. Monday through Fridays.

Blanket Project Rejected

City to Repair Driveways Along Spruce Street

A blanket order for the street department to repair all defective residential driveways on city property between the sidewalk and curb, proposed by Fifth Ward Alderman Walter Nomm, was blocked Monday night by Granite City council members.

However, Nomm was able to gain approval for repairs to improperly installed driveways along Spruce street, which was improved about a year ago under a motor fuel tax program, and a single driveway in the 3000 block of Parker street.

The driveways have been under study by the council for several months because of complaints from property owners that they were steep and dam-

Council Stalls Funds for Condemnations

An advance allocation of \$10,000 to begin condemnation proceedings against at least 96 pieces of property was stalled Monday night by Granite City council members.

Chairman of the council's Planning and Zoning committee, requested the amount be authorized for inclusion in the new city budget so that the Morris Chapman law firm could begin the condemnation proceedings immediately.

Action on the request was deferred on motions by Alderman Edmund Bartosiak, Alderman Samuel Whitmer, and Alderman George F. Flicoff Jr. "I want to know what the budget will total before I vote for it," Whitmer said. "If the budget is close to last year's, I'll go for it but if it's too high, I'm going to be against it."

Granite City PRESS-RECORD

Thurs., June 18, 1964 Page 3

State Election Laws Group Sets Hearing

The Illinois Election Laws Commission will hold a public hearing at 9 a.m. June 25 at Southern Illinois University, Carbondale.

Non-legal, non-party township officials in the lower third of the state may air their views on problems.

Miss Eulalia Hotz, Madison county clerk, is a member of the commission. State Sen. Daniel Dougherty of Chicago, commission chairman, said he expects much of the discussion to center on the at-large legislative election scheduled in the fall.

The meeting will be held in the university's new center building. The hearing is open to the general public.

Quad-Cities Get \$26,535 In May Fuel Tax Refund

The Quad-Cities have been allotted \$26,535 as their share of a \$1,332,867 in motor fuel tax paid into the Illinois state treasury in May.

The allotments are: Granite City, \$20,326; Madison, \$3480; Venice, \$2729.

Parked Car Damaged

A car owned by John Kittle, 33 of 636 Jefferson avenue, Venice, was damaged at 9:40 p.m. Tuesday while it was parked in front of his home. Police said a car driven by Mary Stratton, 28 of 1152 Rhodes street, Granite City, was backing out of a driveway and backed into the car.

The left front fender and hub cap were damaged.

Vandals Break Windows

Chris Kessler, 2013 Russell street, reported at 3:50 p.m. Tuesday that vandals broke three windows on the south side of his home while the family was away.

Blanket Project Rejected

City to Repair Driveways Along Spruce Street

A blanket order for the street department to repair all defective residential driveways on city property between the sidewalk and curb, proposed by Fifth Ward Alderman Walter Nomm, was blocked Monday night by Granite City council members.

However, Nomm was able to gain approval for repairs to improperly installed driveways along Spruce street, which was improved about a year ago under a motor fuel tax program, and a single driveway in the 3000 block of Parker street.

The driveways have been under study by the council for several months because of complaints from property owners that they were steep and dam-

aging autos. They were replaced by the MPF engineering and construction program and had been approved by the state highway department.

The replacement of the driveways also will require replacement of portions of the sidewalk in order to get a proper slope. Nomm said he did not know how many driveways were involved.

His companion alderman, Steve Basarich, was not present.

Complaints on the blanket request for repairs to all driveways was opposed by Aldermen William McGee, Donald Partney and Earl Thompson.

Nomm said he was satisfied to get the work on Spruce and Denver.

40 Enrolled in GCAARC Children's Day Camp

More than 40 youngsters are participating in a two-week day camp at Wilson Park, where they are being given instructions in handicraft, games and have cook-outs, daily swimming sessions and bowling and skating outings.

The special camp, which began this week, is sponsored by the Granite City Association For Aid to Retarded Children, and is under the direction of Mrs. Margaret Roberts, Maryville school physical education teacher. She is assisted by Miss Sara Baumberger, whose services are provided by the Granite City park district.

Materials, facilities and a bus trip to an amusement park are also furnished by the park district. Twenty-one junior counselors are assisting with the program.

Daily sessions are held from 9:30 a.m. until 2:30 p.m. with transportation and a mid-day meal provided by a volunteer committee. Many of the youngsters, who attend the day camp, have no other form of recreational activity, a GCAARC spokesman said, and added that efforts are still being made to avail the program to all handicapped children in the local area.

Also participating in the program are several of the children who will participate in an over-night campout at the Baptist recreational campground in Mitchell. Association members who are assisting with supervision and arrangements include: Mrs. Georgia Ciesga, Mrs. Helen DeFuntz, Mrs. Emma Reliecke, Mrs. Hazel Kenyon and Mrs. Nelma Black.

Controlman Hackney On Aircraft Carrier

Harold E. Hackney, damage controlman 3/C1, USN, son of Mr. and Mrs. Clarence L. Hackney, 210 Hampton street, Venice, has been assigned to the carrier Lexington. The ship is based at Pensacola, Fla.

Man Fined \$15, Costs

Joseph Bloodworth, 47, of 2116 Iowa street, was fined \$5 and costs on a drunk charge and \$10 and costs on a charge of creating a disturbance Tuesday when he appeared before Magistrate Gasparovic.

Firemen Answer Three Calls, Release Girl

Granite City firemen responded to three calls Tuesday evening, including one in which they released six-year-old Sandra Keel, who was locked in the rest room at the Scotchman laundromat in the Belemore Village shopping center at 7:50 p.m.

Shortly before they extinguished a fire in a 1956 car owned by Leroy Donahue, 1529 St. Clair avenue, at 2900 St. Clair, a carburetor backfire burned wires and the hood.

A utility pole on 27th street between Grand and Madison avenues caught fire at 5:50 p.m. The left front fender and hub cap were damaged.

The pole was called to replace wiring.

Washable. Cushion arch. White, black, blue, multi-colors. Leathers and straw. Open flats. Cushioned. All sizes.

SIU, SWIU Class Schedule Bulletins Now Available

Southern Illinois University bulletins giving the schedules of classes at both the Carbondale and Edwardsville campuses for the fall, winter and spring quarters of 1964-65 are now published and available through the Central Publications Office, Gene Parkhill, coordinator, has announced.

The fall quarter will open Wednesday, Sept. 23, preceded by new student week Sunday through Tuesday, Sept. 20-22. The winter quarter will begin Monday, Jan. 4, the spring quarter Monday, March 29.

This is the first time that class schedules for all three quarters have been available in one bulletin, Parkhill said.

Also for the first time, the Quad-Cities-Edwardsville campus will offer classes at three locations—East St. Louis, Alton and Edwardsville junior high school. These centers will be in use until the fall of 1965, when the buildings now under construction at the new SIU site will be ready for occupancy.

Students may register at either of the three centers, he said. At Alton and East St. Louis a full schedule for day and evening students is offered, while at Edwardsville classes will meet in the evenings only.

Both bulletins contain full information on advisement and registration, fees, various calendars of events and allied information.

Car Damage Reported

A parked car owned by Armon Harris, 28, of 1510 Fourth street, Madison, was damaged slightly at 7:40 p.m. Wednesday. Eugene Wisniewski, 29, East St. Louis, told Madison police he denied the rear bumper of the Harris car while parking. Harris' car was parked in front of his home.

Cars Collide in Madison

Cars driven by James C. Whitt, 31, Florissant, Mo., and John L. Walker, 46, Alton, were damaged Wednesday at 7:30 p.m. in the 1900 block of Edwardsville road, according to a report to Madison police. Whitt told police Walker's car had passed his car and cut in too quickly in front of him.

Peeping Tom Caught

Granite City police were sent to the 2200 block of Lee avenue about 11 p.m. Wednesday on a report of a peeping tom. They located the young pervert and ordered him to report to Coordinated Youth Services today.

Police Questioning Boys with Gasoline Siphon Can, Hose

Venice police were expected to file charges this afternoon against three youths, 17, 19 and 20 years old, who were arrested by Madison police at 5:30 a.m. Wednesday as they were siphoning gas from a truck at Market and State streets. A fourth boy, whose identity is known to police, is being sought.

Madison police said they were called early Wednesday morning by a plant guard at Laclede Steel who told them a worker had reported seeing three boys carrying what appeared to be gas cans from a parking lot at the Waggoner Trucking Co. at Washington avenue and Market street.

Madison police notified Venice authorities and squad cars from both cities began patrolling the area. Madison officers said they found the car parked at Market and State streets and that a six-foot length of garden hose was inserted into the tank of a large GMC truck and extended into a five-gallon gas can. One of the boys tied the scene as the police cars approached.

Officers arrested the three boys and turned them over to Venice police. Two of the boys signed statements in which they said that the third, driver of the car, had picked them up at 1 a.m. on Weaver street in Venice and that they had driven to East St. Louis where they stayed until about 4 a.m., returning to Venice. They admitted siphoning the gas.

The driver of the car will face four charges, police said, using an invalid driver's license, curfew violation, using a fictitious state license paid and petty larceny. The other boys are to be charged with curfew violation and petty larceny.

Boyer Re-elected Head Of 4th Degree Assembly

Marvin Boyer, 1553 St. Clair avenue, was re-elected to his second term as faithful navigator of the fourth degree assembly of Tri-Cities Council 1098 of the Knights of Columbus at a meeting Wednesday night.

Others elected were Walter Christiansen, faithful captain; James DeRuntz, faithful pilot; Leo Portell, faithful admiral; Harry Hadley, comptroller; Henry Kahn, inner sentinel; Donald Stanton, outer sentinel; and Joseph DeRuntz, three-year trustee. Rev. Sylvester Mickel, R.E.M., again will act as faithful friar.

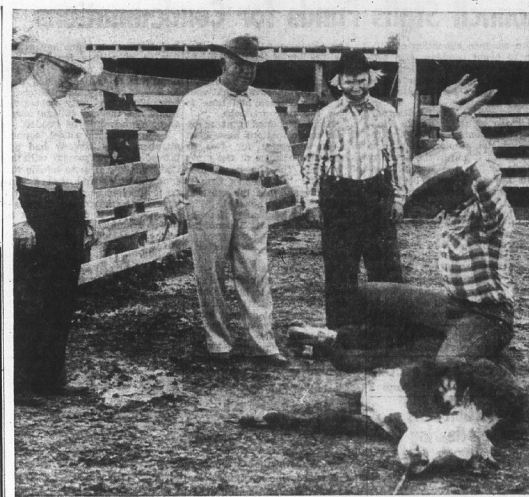

The assembly's annual family picnic was set for August at the American Legion freedom farm near Belleville. A formal observance of the assembly's 50th anniversary is to be conducted in the fall.

Fourth degree certificates were presented by Hadley, August Feraud and James DeRuntz. Portell presented a report on the bi-annual meeting of the southern Illinois district held recently in Breese.

Parked Car Damaged

An automobile owned by James Hayes, 1737 Madison avenue, Madison, was damaged on the right side Tuesday afternoon when it was sideswiped by a car driven by Shirley A. Wright, 30, of 1664 Third street, Madison. The Hayes car was parked. The woman told police she was driving east on Fourth street when a truck turned in front of her and Madison avenue, causing her to swerve her car sharply.

GO TO CHURCH SUNDAY

AINAD SHRINE RODEO DAYS, set this weekend at Belleville, bring out the cowboy in Charles Webster, manager of the Producers Marketing Association farm near O'Fallon, who shows how to be a steer in quick time. Watching, left to right, are—Wyatt Rawlings, Ainald potentate, Forrest Cresson, post potentate and general chairman of the rodeo; and Dick Fleichig, nationally known clown from East St. Louis.

Ainald Shrine Parade, Rodeo Set This Weekend

The largest parade in the history of the Ainald Temple Shrine rodeo will start at 8:15 p.m. Friday in downtown Belleville. More than 85 units will take part, according to Ted Ebert, parade chairman, including colorful units from Moohah Temple in St. Louis. The Ainald Shrine includes some Quad-City members.

The parade will precede the RCA-sanctioned rodeo sponsored annually by Ainald, with \$7500 in prize money available to the nation's top-ranked cowboys scheduled to compete.

The rodeos are set for 8 p.m. Saturday, Sunday and Monday and at 2 p.m. Sunday at the Belle-Chair fairgrounds in Belleville, site of the annual event. Potentate Wyatt Rawlings said the facilities recently were improved to make the arena more favorable.

Horner and Jehlro, stars of rodeo and television, will entertain with modern and country music during the break in rodeo events.

Forrest Cresson, post potentate and general chairman, said this year's show will outshine any of the previous Ainald rodeos. Bob Durman, stock contractor, is providing some of the finest stock in many years of raising fighting rodeo stock, he said. Glenn Carter of Dallas, Texas, again will handle announcing chores, and Dick Fleichig of East St. Louis, a nationally known clown, will lead a group of daring clowns.

A queen coronation will be held at 9 p.m. Monday.

Ainald again will conduct a contest for amateur photographers with "golden statues" to be presented for photographs made of the parade or rodeo that are sent to the temple by July 10. More than 100 entries were received last year. Three news photographers will serve as judges.

Charged with Assault

Harry W. Wendell, 65, of 120 Abbott street, Venice, is to appear for hearing on an assault charge June 26. Wendell was arrested by Venice police Wednesday on complaint of Willodeen Adams, 215 Abbott street, Venice, who told police Wendell kicked her, causing leg bruises.

She charged Wendell ejected her from his house where she had gone to remonstrate about his general chairman, said this year's show will outshine any of the previous Ainald rodeos. Bob Durman, stock contractor, is providing some of the finest stock in many years of raising fighting rodeo stock, he said. Glenn Carter of Dallas, Texas, again will handle announcing chores, and Dick Fleichig of East St. Louis, a nationally known clown, will lead a group of daring clowns.

Folk's never grow old by living—only by losing interest in life.

Five Persons Hurt In Traffic Mishaps

Two persons were injured at 12:45 p.m. Tuesday on Fehling road at Nanceki road when brakes of a car driven by Michael McCarty, 18, of 2101 Glen drive, failed and the auto struck the rear of another driven by Nancy Jateff, 17, of 1735 Olive street.

Complaining of pains were Miss Jateff and Chris McCarty, 15, of the Glen address. Miss Jateff was treated for right shoulder and neck injuries at St. Elizabeth Hospital and was released. Five teenage passengers in her car were unhurt. She was halted in a traffic lane waiting to proceed when the accident occurred. Both vehicles were damaged.

Mrs. Catherine Wittervongel, 40, and her mother, Mrs. Mary Kinney, 72, both of 1605 Carfield avenue, were injured Tuesday afternoon in a two-auto accident in St. Louis where another auto hit the rear of her auto.

They were given treatment at St. Elizabeth Hospital where Mrs. Wittervongel complained of pains in the right elbow and Mrs. Kinney complained of neck pains. Both were released.

Patricia Reed, 22, of 2700 Emzow street, was treated at 3:40 p.m. Monday at St. Elizabeth Hospital for abrasions to the left leg received in an auto accident. Monday afternoon at East Alton. She was released following emergency care. The driver of the other car, Mrs. Edwin Riemke of East Alton, was not hurt.

Madison Man Arrested

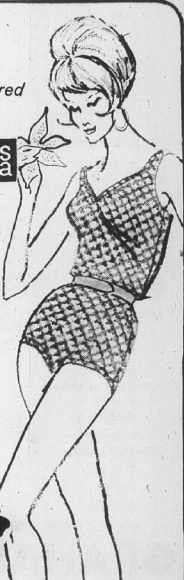

Charles Hunter, 20, of 1903 Sixth street, Madison, was taken to the Granite City police station at 1:20 p.m. Wednesday by Madison Police Chief Emmett Pavin on a state warrant charging disorderly conduct. The complaint was signed by Harlene Arms Hunter was at 8:40 p.m. on \$500 property bond pending a hearing.

Mercers Home to Strong Boosters, Hearts Visit Red Sox in I-C Loop

Collinsville's strong Boosters visit Mercer Funeral Home at 2:30 p.m. Sunday at Wilson Park in the feature game of the Southwestern Illinois Inter-City Baseball League card.

Meanwhile the other Granite City representative, Sacred Heart, will call on Maryville's Red Sox. Both local teams are running second in their respective divisions.

Victories by both Granite City clubs would be desirable, especially in the Sacred Heart viewpoint. Such a combination would put a full length of the present three-game lead Collinsville enjoys over the Hearts in the Red Division race.

Since Sacred Heart handed the Boosters their only loss of the season, manager Dick Portell's boys are confident they can grab the Red pennant with a little outside help.

Crucial For Mercers. Two Since Blue Division leader St. Clair Heating of East St. Louis is slated for an apparent breeze against the winless Altoona Flyers, a victory is also crucial for the Mercers.

Ollie Miller's team now trails St. Clair by just one game but a setback and a St. Clair win would widen the gap to two games. In addition, Pequotas could move into second place by defeating Troy.

In the first meetings of the season, Collinsville knocked out the Mercers 10-6 and Maryville

INTER-CITY LEAGUE					
(Red Division)	W	L	Pct.	GB	
Collinsville	7	4	.637	3	
Sacred Heart	4	4	.500	4	
Troy	3	5	.375	4	
Maryville	2	6	.250	5	

(Blue Division)	W	L	Pct.	GB	
St. Clair	6	2	.750	1	
Mercer	5	3	.625	1	
Pequotas	5	3	.625	1	
Altoona	0	8	.000	6	

Sunday's Games, 2:30 p.m.

Collinsville at Mercer

Sacred Heart at Maryville

Pequotas at Troy

St. Clair at Altoona

Surprised the Hearts 21-5. So all the happy Granite City pre-

game supping depends on a complete reversal Sunday.

Ex-Pro Lead Boosters

Top offensive threats in the Collinsville lineup include two former professional players, shortstop Chuck Hasenstien of Belleville and outfielder Larry McCaskey of East St. Louis.

The addition of McCaskey and several others from last year's East St. Louis Moose team which folded has been the key factor in the Boosters' rise from their 1963 cellar finish. Other Collinsville standouts include ex-Moose second sacker Jerry Koehler, former St. Louis University star, and Wayne Crosson, who drove in four runs last Sunday in a 5-0 win over Maryville.

At Maryville, the Hearts ex-

pect to face pitcher Jim Knop who won the 21-5 decision although allowing 13 hits. Knop also rapped a bases-loaded triple during an eight-run inning.

GC, Madison Top Scorers Pick Schools

Last season's top scorers on the Granite City and Madison high school basketball teams will attend college on basketball scholarships, the Press-Record has learned.

Larry Lalley, 6-2 Granite City guard who averaged 20.4 points a game and was named to the Press-Record's all-Southwestern Conference team, will attend Murray State (Ky.) He was also the Warriors' top rebounder.

Cecil Bell, 6-2 Madison center who averaged 22.4 points a game and was named to the Press-Record's all-Midwestern Conference selection.

Also attending Canton will be 5-6 guard Guy Nunn, all-Southwestern Conference player from East St. Louis high.

A cage scholarship has been awarded to Calvin Dixon for Rochester (Minn.) Junior College, according to Stan Lynch, his coach at Lincoln high of Venice, D-10 guard who scored about 14 points a game, will join Lincoln state.

Tommy Turner at the school. As reported previously, Granite City's Jim Warren will attend Missouri without a scholarship but plans to try out for basketball.

Other Collinsville players, coach Andy Sullivan said, have not reached decisions on college choices. John Sum-

mers, who teamed with Bell on coach Earl McCannahan's Trojans, was awarded a basketball grant to Nichols State (La.).

Bill Ohlendorf, Venice high school third baseman, will attend college but don't plan to play baseball. They are Ken McMullen (Illinois), Mike Edwards (Eastern Illinois) and John Robertson (Southern Illinois).

Man Charged for Striking Umpire

A man who Venice police reported walked onto the diamond of a boys' baseball game and struck the youthful umpire, was arrested Tuesday on a charge of assault.

He was identified as Gilbert Culver, 27, of Greener Homes, Madison. He was released on bond pending hearing June 20 in Madison court.

According to a report to police, Culver struck Frank Bartlett, Venice, who was umpiring a Madison-Venice Khoury league baseball game on Diamond No. One at Lee Park in Venice, Monday evening. The complaint against Culver was signed by Bartlett's mother, police said.

LITTLE LEAGUE STANDINGS

The delayed start has given the locals a chance to check the potential of other Northern Zone teams. Collinsville has emerged second to the top contender with a 4-1 record.

Edwardsville, which finished

LOOKS FAIR . . . BUT it came out foul. The batter in Classic League softball play last night is pitcher Carroll Tingley of Spengler-Dawes. After the foul down the third-base line, Tingley lashed a two-run single to left field to spark a six-run third inning. The catcher is Jerry Chenevert of the Oilers and the umpire is Andy Timko.

PRESS-RECORD SPORTS

Page 6 Thurs., June 18, 1964 Granite City PRESS-RECORD

Legion to Get Schedule Rolling With 3 Games Over Weekend

Through no fault of its own, the Granite City American Legion baseball has been left at the post in the 22nd District season.

While all other 10 teams in the district have played between three and eight games, Tri-City Post 113 has gotten in only one of 15 scheduled games. That resulted in a 6-3 victory a week ago at Altoona.

The team was scheduled to open on June 5, but manager Roy Achenbach was forced to postpone that contest because of conflict with Granite City high school graduation exercises.

Then Monday evening a scheduled game at Maryville was postponed slightly more than a hour before game time when the host club found the diamond was unavailable. The game was tentatively rescheduled for July 1.

Three Games Stated

Achenbach's team will try to remedy the lag in number of games played this week, beginning at 6 tonight against Collinsville at Wilson Park's No. 1 diamond.

Following will be contests with Glen Carbon at 6 p.m. tomorrow at Wilson Park and at 2 p.m. Saturday at Mascoutah.

The latter will be the only game against Mascoutah, a member of the district's Southern Zone. Granite City, however, plays each Northern Zone team twice.

While the other clubs got away from the starting gate quickly, Post 113 hopes to run a steady race and catch up in the stretch. If they manage to win the Northern crown, the local teenagers will qualify for the district playoffs' first step tournament series that culminates in the national finals.

Collinsville In Front

The delayed start has given the locals a chance to check the potential of other Northern Zone teams. Collinsville has emerged second to the top contender with a 4-1 record.

Edwardsville, which finished

Another No-Hitter Chucked by Bill Page

Bill "Satch" Page notched his second no-hitter of the season in Classic League fast-pitch softball action Tuesday night at Wilson Park. His Kirchner-Madison Bowl team downed Spengler-Dawes.

Page fell behind 1-0 in the opening inning when Spengler-Dawes scored when Jack Saltsch walked, advanced on an error and came in on Bill Baldwin's sacrifice fly.

Kirchner-Madison Bowl responded with two runs in the home half on a hit batsman, singles by Bill Duncan and Bill Curry and Jim Greer's double.

Greer also drove in the third run with a third-inning single.

Page struck out seven, walked one and hit one. His first no-hitter was May 19 when he faced only 22 batters. A walk spoiled a bid for a perfect game.

In Tuesday's first game, Granite City Steel Credit Union topped Union Electric 4-3 on a last-inning run as John Draper, Larry Williams and Harold Tankley hit two-out singles.

Both winning pitcher Jack Baldwin and lower Jim Williams gave up six hits. Williams homered for the Credit Union to lead off the second inning.

Spengler-Dawes bounced back last night with two victories, 9-2 over the Oilers and 5-4 over Union Electric. Baldwin was the batting star with four hits in-

cluding a homer in each game. Carroll Tingley pitched a four-hitter in the first victory, then came back to start the second game. He was relieved in the fourth by Ray Watson who gained the victory.

Baldwin's first-game homer came with none on in the sixth inning, but his second game poke won the game. It was an inside-the-parker which skipped past centerfielder Jim Williams, following a two-out walk to Jim Davis.

Davis also had two hits in the game including a triple. Mary Bussell was the losing hurler. The contests were played despite a sticky field caused by yesterday evening's rain.

Spengler-Dawes is now in a August.

SECOND NO-HITTER of season in the Classic League was hurled by Bill "Satch" Page of Kirchner-Madison Bowl team.

three-way tie for first place with Kirchner-Madison Bowl and the Credit Union, all 3-1. The Oilers are 1-3 and Union Electric 0-4.

Underwood Champ Of Army Tourney

Ronald Underwood, former tennis star at Granite City high school and Southern Illinois University, has won the Morris Division tennis championship at the Wurzburg Officers Club in Germany where he is stationed with the Army.

He won his second straight championship singles championship and teamed with Ed Cullen to win the doubles crown. Underwood must now win another service tourney in Germany in order to qualify for the Army finals in the United States.

The 25-year-old athlete is the son of Mr. and Mrs. H. C. Underwood, 2845 East 25th street. His tour of duty is set in late August.

Mayor Will Decide On Added GC Tavern

Issuance of an additional liquor license for a tavern in Granite City is being studied by Mayor Davis. The application by John Stieb, 52, of 2804 Pershing avenue, for operation of a cocktail lounge at 2422 Nameoki road in the Plaza shopping center across from Kirkpatrick Homes.

Mayor Davis said Stieb formerly was associated with a tavern at 16th street and Cleveland blvd. Questioned was the city's 1000-foot restriction set forth in the liquor control ordinance for the distance between taverns is being disputed. Deputy Liquor Commissioner Edmund Bartosik said he measured the distance on his auto-

Granite City PRESS-RECORD Page 8 Thurs., June 18, 1964. The commission doesn't have the funds to hire an engineer to measure it," he added. The city has several sets of petitions—one objecting to the tavern and pointing out the distance and another favoring the tavern.

Mayor Davis advised the council to approve Stieb's \$2000 surety bond, and that he would take the responsibility of the issuing the tavern license. "I'll probably be taken to court if I issue it and be hauled into court on a mandamus if I don't," Davis remarked. Sixth Ward Alderman Casner Skushib said there were rumors going around that the tavern was his. "I'm not involved at

Three Plead Innocent During Arraignments Three Granite City defendants entered innocent pleas to indictments during arraignments Monday in Madison county circuit court. Approval of the liquor bond was voted with Aldermen William McGee and Paul Rutledge dissenting.

GO TO CHURCH SUNDAY They are David Hastings, 17, of 4708 Kirkpatrick Homes; William Eugene Everts, 19, of 2227 East 24th street; and David Edward Gann, 18, of 2200 Terminal avenue. They are charged with burglary and theft at the Parkview confectionery on May 9. Gann also pleaded innocent to armed robbery on April 2.

July 3 Holiday for City Workers Proposed

A resolution that would give the city's salaried employees at the city hall a paid holiday on Friday, July 3, was placed on first reading Monday night by Granite City council members. The Friday before Memorial Day was turned down last month, and the July 3 holiday had been included in that request.

Jaycees to Host Annual Majorette Twirling Contest

One hundred girls from throughout Illinois will compete here Saturday, June 27, in the annual baton-twirling contest to name "Miss Majorette of Illinois." The Granite City Junior Chamber of Commerce will be host to the event as it has during the past three years. The contest is under sponsorship of the National Baton Twirlers' association.

Competition will be held in three divisions: juvenile, up to 10 years of age; junior, 11 to 14 years, and senior, 15 or more. Winner of the senior division will be declared "Miss Majorette of Illinois" and will represent the state in a national contest at the World's Fair at New York. As winner of the local contest she will receive a trophy and \$50 expenses on the trip to New York.

The program will start at 9 a.m. Saturday, June 27, in the Nameoki grade school gymnasium with twirling in majorette uniforms, followed at 11:30 a.m. with "strutting" competition in strutting uniforms. At 1 p.m. the girls, clad in their strutting costumes, will ride in open convertibles in a parade through downtown Granite City. A 2 p.m. luncheon will be served at the Tri-Mor Bowl.

Finals will be held in the Granite City high school gymnasium beginning at 7 p.m. The demonstrations will be open to the public upon payment of an admission fee. Judges will be Marian Matherly, Denver, Colo.; Dorothy Hartshorn, Minneapolis, Minn.; and Trude Denzler, also of Minneapolis.

Last year's winners in the contest held here were Becky Quick, Christopher, Ill., in the senior division; Linda Ohms, Glen Carbon, junior division; and John Dee Watson, Centralia, in the juvenile division.

Polluted Air Killed Bees, GC Man Charges

Everett Morlen, 2666 East 24th street, complained Wednesday that gas-polluted air has killed some bees in four hives he keeps in his back yard. "If that polluted air kills bees, what do you think it does to humans," he asked. He said he found the dead bees Sunday morning and that the hives had turned black. He added that Saturday night he had to close the windows of his house to get some sleep.

Paint on homes in the East Granite area has become marred in the past when gaseous air prevails, especially when damp weather prevents the gas from rising. He said he had planned to move the hives to a farm. Some of the bees survived.

EARL YOUNG HONORED AT DINNER PARTY

Earl Young celebrated his birthday Sunday with a dinner party given by Mr. and Mrs. Jacob Gettelman. A flowering orchid and a decorated birthday cake centered the table.

Dinner was served to Mrs. Priscilla Young, wife of the honoree, William Young, Jr., of the Thompson, Willard Hicks, and guest, Mrs. Rachel Vargo. Mr. and Mrs. William Campbell Scott, and Alan and Sally Gettelman, Diane, Billy and Uelman. The honoree received many gifts.

FAREWELL SLUMBER PARTY HONORS ABL MIDKIFF

A slumber party was given in honor of Miss ABL Midkiff who is moving to California next week.

The evening was spent playing games and telling spook stories. A midnight stroll was the highlight of the evening.

Those present were: Audrey Stafford, Karen Stafford, Susan Stafford, Diana Ross, Georgia Ross, Sharon Dainger and William and Robin Ross.

The party was held at the home of Mr. and Mrs. George Ross. The honoree received many gifts.

Mrs. Kenneth Erickson and daughter, Kim, of Dallas, Tex., were guests of Mr. and Mrs. Jack Harper on Sunday. Mrs. Erickson is the former Margie Harper of Granite City.

Mr. and Mrs. Dick Bolton have as their house guest this

week Dennis Lenger of Livingston, Ill.

Mr. and Mrs. Horace Foster, 3844 Lake street, accompanied by Mr. and Mrs. John Foster, were guests of Mr. and Mrs. Mae Allison of Murphysboro over the weekend.

RETURN FROM TOUR IN WESTERN STATES

Mr. and Mrs. James Phillips, 2928 Washington avenue, arrived home Monday following a three-week vacation in the western states.

During their extensive tour they visited the Grand Canyon, Hoover Dam, Las Vegas, Knott's Berry Farm and Disneyland.

They visited with Mr. and Mrs. James Marsh of Santa Ana and Mr. and Mrs. James Wanner of Lakewood, Calif., formerly of Granite City. They also were guests of Miss Doris Hall of Los Angeles.

TROOP 23 HOLDS WIEBER ROAST

Boy Scout Troop 23 met Tuesday night at their camp site with Floyd Ashoff and Herb Polley. The parents were present for a meeting and refreshments and a wienner roast were enjoyed.

Those present were: George Wilkerson, Bobby Pickett, Buzz Pickett, Ricky Trindle, Alan Charles Polley, Gerry Senior, Steve Mosder, Danny James, John Jones, Fred Hunt, Clifford Hunt, David Hunt, Anthony Hunt and Mike Abernathy.

Bodnam in Hospital

Brinley Bodnam, 2327 Delmar avenue, is a patient in St. Elizabeth Hospital for a heart ailment and will possibly be there for a period of three weeks.

YOUNG REPUBLICANS FOR PERCY, the Percy Peppers, who entertained GOP precinct committeemen and women Monday night. From left are Carol Schmidt, Paula and Sue Ann Welch, Mary Elna Earls, Susan Davis and Mascot Carol Anne Davis.

GOP Committeemen Name Sub-Groups

Republican committeemen and women of Granite City met Monday night at the YMCA to form committees and hold a social hour. City Chairman C. Luther Rudder presided.

Committee chairmen named were: policy, Robert Byrne; activities, George Birdsong; and resolutions, Victor Davis. The group also decided to sponsor a booth at the Wilson Park July 4 picnic. There are committeemen for 28 of the 32 precincts in Granite City.

After the business meeting, the families of the members joined them for a social hour. They were entertained by the singing of six young girls who call themselves the "Percy Peppers," in honor of the Republican candidate for governor, Charles Percy.

Roy McCulley, 61, Dies Of Cancer; Ill 1 1/2 Years

Roy McCulley, 61, of 2131 Grand avenue, died of cancer at 8:15 p.m. Tuesday at Jewish Hospital, St. Louis. He had been ill 1 1/2 years and hospitalized 2 1/2 months.

Born in Hillsboro, Ill., Mr. McCulley moved to Granite City eight years ago from Kenosha, Wis. For five years he was a custodian at the Burns cafeteria. Earlier he was a turnkey at the Madison county jail. He was a member of Trinity Methodist Church.

He is survived by a son, Robert McCulley of East Alton; three sisters, Mrs. Floyd (Lutelle) Walker of Granite City; Mrs. Elsie Athey of Villa Grove, Ill.; and Mrs. Robert (Bertha) McCusick of Kenosha; a brother, Clem McCulley of Hillsboro; and two grandchildren.

An obituary notice appears elsewhere in today's issue.

GCAARC to Meet

Granite City Association for Aid to Retarded Children meeting will be held Monday at St. John's United Church of Christ starting at 7:30 p.m.

South Venice

MRS. DELORES BOSWORTH 623 Lincoln Avenue TR. 7-6488

Mr. and Mrs. Albert J. Harden, of Robin street, returned home Monday evening after a two-week vacation in Benet, Ill., where they were guests of Mrs. Marie Harden Walker. While there, they also visited with several friends.

HOME FROM HOSPITAL Mrs. Minnie Kraemer, 223 Granville street, was released Sunday from the Missouri-Pacific Hospital, St. Louis, where she was confined two weeks following emergency gall bladder surgery.

RETURN HOME FROM VACATION IN SOUTH Mr. and Mrs. P. D. Barritt and sons Bill, Chuck and Calvin, 215 Weber street, and Mike Britt, of the Venice Homes, returned home Sunday from a two-week vacation spent in the south. They visited Mrs. Barritt's parents, Mr. and Mrs. G. E. Johnson, of Meridian, Miss.

They enjoyed a fishing trip on the Black Warrior and Tom Bigbee rivers in Demopolis, Ala. and visited with Mr. and Mrs. John C. Walden and Mrs. Mary Lou Reeves, of Birmingham.

They also toured Shiloh National Park in Tennessee and saw movies of the Battle of Shiloh.

VENICE REBEKAH LODGE HOLDS MEMORIAL SERVICE Venice Rebekah Lodge 570 met Monday evening at the Odd Fellows hall with the noble grand, Mrs. Marie Zeigler, conducting a regular business session.

A memorial service was held for the deceased members of the lodge.

Those present were Miss Lucella McCoid and Mesdames Martha Watson, Edith Carpenter, Marge Purcell, Nell Montgomery, Laura Bell Benson, Ethel Dunnivant and Minnie Armes.

CYC MEMBERS ATTEND PLAY DAY Members of the Catholic Youth Council of St. Mark's Church attended the C.Y.C. "Play Day" in Taylorsville on Sunday.

Those making the trip were Frances Mangi, Nancy Satturo, Mordel Foley and Nay Shamuro of Venice; Jeanette Kearnes, Madison, and Gloria James of Granite City.

Members of the C.Y.C. are also planning to attend the deanery "Splatter-Platter" party at the Wood River swimming pool on Sunday, June 19. The evening will begin at 9:15 p.m.

Mr. and Mrs. Leroy Schmidt and children, Laurie, Robert, Rita and Richard, of 620 Lincoln avenue, returned home Sunday evening after spending the weekend visiting Rev. Carl Schmidt, of Teutopolis, Ill.

Mitchell

MRS. LOIS WEEKS 129 E. Chain of Rocks Road TR. 6-6454

WIN 'TROPHIES AT' BOWLING TOURNAMENT Mr. and Mrs. Chester Wyers and daughter, Gerry, and Mr. and Mrs. John Sands and daughter, Judy, returned home Sunday from Rockford, Ill., where Gerry and Judy participated in a championship bowling tournament.

Both girls received trophies. The families also attended a mother-and-daughter banquet.

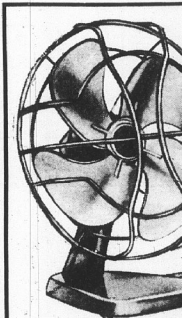

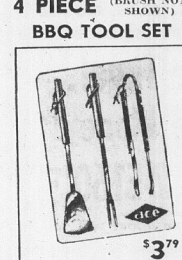

Tri-City Park MRS. LEOLA TUCKER 1234 Edwardsville Road TR. 6-7227

SUNDAY VISITORS Mr. and Mrs. Carl Cuccatti and children, Tonya and Angela, of Rode avenue, visited Mr. and Mrs. Eddie Maestas and sons, Danny, David, Donnie and Douglas, in St. Charles, Mo. Later the same evening, the local family entertained as guests, Mr. and Mrs. John Sunda, Mr. and Mrs. Bob Cuccatti and daughter, Rhonda, and Mr. and Mrs. George Peradotto, all of Pinckneyville, Ill.

GC Relief, Town Costs Total \$4591

Granite City township relief and town fund disbursements totaling \$4591 were approved Monday night by city council members. Of the total \$2417 was for relief and \$2174 for town purposes.

The relief expenditures included \$1308 for food, \$296 for rent, \$115 for medical care and the following administrative costs: \$450 half-month salaries for three office workers, \$25 for caseworker travel, \$45 for janitor service, \$7 for office supplies, \$64 for telephone service, \$25 for postage stamps and \$111 for Illinois Municipal Retirement contribution for employees.

Town fund expenditures amounted to \$712 for deputy assessors, \$802 for salaries, \$50 for supervisor travel, \$50 for assessor travel, and the following expenses for the assessor's office: \$24 for janitor service, \$61 for telephone service, \$27 for supplies, \$50 for postage and \$397 for employee retirement.

Amounts paid to deputy assessors were: Mary Bowler, \$120; Mary Halliburton, \$86; Mary Hunt, \$30; Lorraine Isbrecht, \$86; Julia Lancaster, \$120; Evelyn McGeehan, \$34; Virginia Poulos, \$54; Richard Reber, \$120; Alma Rhodes, \$6; Laura Sykes, \$61.

Chas. Verba, Retired Steelworker, Dies

Charles Verba, 71, of 825 Tova street, Madison, died at 12:05 a.m. Tuesday at St. Elizabeth Hospital of complications to a chronic asthmatic condition. He had been ill five years and hospitalized 11 days.

Born in Yugoslavia, he was a resident of Madison 33 years. He retired as a promoter of the shipping department from American Steel Foundries in 1938, after 47 years with the company. He was a member of United Steelworkers of America Local 1053, the Twenty-Five Year club of the steel company and Taborite Navy Dohy 35 of East St. Louis.

He is survived by his wife, Pauline; two daughters, Mrs. Michael (Molly) Sues and Mrs. Victor (Ann) Reznick, both of Granite City; one son, Carl Verba of Dearborn, Mich.; a brother, Jerry Verba of Madison; and eight grandchildren.

Funeral services were held today. An obituary notice appears elsewhere in today's issue.

Venice Man Charged With Driving Without License

Chester Kingbury, 42, of 1126 Douglas street, Venice, was arrested on a charge of driving without a driver's license late Monday afternoon following an accident at the foot of the Mel Kinney bridge on Main street.

According to Venice police, Kingbury's car collided with one one driven by Loren K. Ellis, 17, St. Louis. Police said Kingbury's car was making a left turn off of Main street to enter a service station when the Ellis car collided with it. Kingbury's car was damaged on the right side and Ellis' car in the front. Kingbury is to appear June 29 in Madison court.

Thief Takes Clothing From Parked Automobile

Henry Stefanski, 204 Cleveland blvd., reported to Venice police Tuesday that a quantity of clothing and other items were stolen recently from his automobile. The car was entered by breaking a left front window while it was parked in the Terminal yards.

The thief took a sport coat, two pair of trousers, shoes, socks, a shirt and tie, a pair of glasses, a transistor radio, a handbag and a steel tape-measure.

Woman Injures Ankle On City Sidewalk

Mrs. Opal Tompkins, 35, of 2215 Cleveland blvd., was treated at St. Elizabeth Hospital Monday afternoon for an ankle injury, suffered when she stepped into a hole on the sidewalk of the 2100 block of Cleveland blvd.

Mrs. Tompkins said the sidewalk is being replaced where the accident occurred and handrails are positioned between the old and new portions. Grass, however, obscured the pavement break, she said. She was released following treatment.

City Can Ride About 30-45 Days Without New Tax Money

Granite City, with a \$23,645 deficit in its general fund account on May 31, is not too concerned at present in the delay in collecting 1963 taxes, but the city could encounter difficulties if the delay continues over a month and a half.

Comptroller John Doohar said Monday night when the new fiscal year's first monthly financial report was submitted to the council, that the city could continue its normal operations 30 to 45 days without borrowing money.

The delay has resulted in the failure by St. Clair county taxing officials to designate a tax rate for the East Side Levee & Sanitary District which overlaps into Madison county and involves all of the Quad-Cities.

Tax Bills Not Prepared
Tax collections normally start in June by local township collectors, but they have not yet even

started preparing the 1963 tax bills for mailing because of the missing tax rate. Tax collections in other townships in the county have been completed.

A legal ruling is being sought by County Clerk Edalla Hotz to determine if last year's levee district rate can be used and an adjustment made next year. She is expected to get an opinion from the state's attorney's office in the near future.

While other taxing agencies are expecting to encounter fund difficulties—and possibly the issuance of tax anticipation warrants—almost immediately, the city has a comfortable \$256,889 balance in its sales tax reserve fund and \$77,231 in the parking meter fund. All are special funds.

General Fund
The general fund accounts showed an income of \$47,488 during May, combined with a \$33,426 balance on April 30 for a total of \$80,915. However, dis-

burements during May totaled \$104,550, resulting in the \$23,645 deficit on May 31.

A breakdown of the 17 general fund accounts, showing disbursements during May and May 31 balances or deficits in that order, follows:

Fire department, \$20,824 and \$14,112 deficit; water, \$1476 and \$1010 balance; street department, \$19,452 and \$9054 balance; street lighting, \$1742 and \$1936 balance; pumping station, \$143 and \$3067 balance; general government, \$7443 and \$1416 deficit; city hall, \$2338 and \$490 deficit; police, \$25,690 and \$17,934 deficit; inspection department, \$2133 and \$520 balance; election, none and a \$512 balance; sanitation department, \$15,322 and a \$11,339 deficit; interest and judgment, \$3739 and \$2409 deficit; dog catching, \$820 and \$1489 balance; tax commissions, \$2819 and \$8500 balance; school crossing guards, \$702 and a \$404 deficit; and city planning, \$622

\$300 and a \$20 balance.

Special Accounts

Total disbursements from the special accounts amounted to \$13,746 in May, leaving a May 31 balance of \$630,610.

A similar breakdown for special fund accounts follows:
Municipal retirement, \$2431 and \$14,037 balance; working cash, none and \$133,968 balance; parking meters, \$1537 and \$77,231 balance; police pension, \$1936 and \$34,722 balance; firemen pension, \$2870 and \$24,058 balance; public library, \$4579 and \$48,439 balance; arterial street maintenance, \$101 and \$87,685; unclaimed rebates, none and \$6538; civil defense, \$637 and a \$4629 deficit; sales tax, none and \$236,889 balance; maintenance of sewers, \$1353 and a \$108,449 deficit; southern extension sidewalk paving, none and an \$80 balance; special street fund, none and \$23,416; motor fuel tax projects, none and \$36,622.

Stop Signs Wanted On 18th of Edison Ave.

A request for stop signs to be placed on 18th street at Edison avenue was submitted to the Granite City council Monday night.

It was pointed out the three-

Mecca President Named To Bicentennial Group

Edward G. Fellner, president of the Metro East Chambers of Commerce Association of Madison and St. Clair counties, has been appointed chairman of the Illinois-St. Louis Metropolitan Bicentennial Committee, August A. Busch Jr., president of the St. Louis Bicentennial Corp., announced Wednesday.

Vice-president of Fellner's Inc., Belleville, Fellner will coordinate Bicentennial activities in Madison, St. Clair and Monroe counties.

Fire Hydrant, New Gas Line Excavation Ok'd

Installation of a fire hydrant along Sara avenue in Ponton Plaza subdivision was approved Monday night by Granite City council members, and instructions are to be given East St. Louis & Interurban Water by Fire Chief Elijah King on the exact location.

Permission was given Illinois Power Co. to begin excavations next Monday to replace a 21-inch gas line with a four-inch main under Washington avenue at East 26th street.

SOCIETY Chapter Night for Women of Moose

Women of the Moose 247 Friendship Academy Chapter Night was held Tuesday evening at the Moose Hall with the senior regent, Mrs. Margaret Noon, presiding, and Pearl Griffin serving as chairman. Five members received their friendship rings.

Four candidates took their obligation. They were Mrs. Thelma Gaddie, Mrs. Carolyn Simpson, Mrs. June Stalcioff and Mrs. Ruth Hardisty. Mrs. Noon, the junior graduate regent, Mrs. Jenny Mihu gave a report on the convention. Prizes were awarded to Mrs. Griffin, Mrs. Virginia Sever and Mrs. Pat McNeil.

The next meeting will be held June 24. Refreshments were served to 45 members.

Shower Honors Miss Gililand

Miss Saralee Gilliland was honored with a pre-wedding shower Monday evening at the Hope Lutheran Church given by Mrs. Eleanor Anderson, Mrs. Betty Blaylock, Mrs. Willie Blaylock and Miss Becky Anderson.

The room was decorated in blue and white, and a cake was shaped as a sprinkling can. White bells were suspended down over the gift table. Favors of marshmallows centered with a wedding ring were at each place setting.

Games were played and prizes awarded. Present were Mesdames Erma Seueger, Mary Stival, Mary Church, Velma Buls and daughter, Kathy, Jean Frahm, Pat Greer, Billie Greath, Anna, Mae Turner, Barbara Lewis, Edna Gilliland, Isabel Hawkins, Carol Allan, Darlene Virginia Sever and daughter, Kathy. Hartzell and daughter, Kathy. Jean Allan, Wilma Gilliland and Miss Sherri Gilliland.

The honoree is to be married June 26 to Randy Allan.

MR. AND MRS. DARRELL G. HEIMAN. She is the former Miss Charolette Weiss, daughter of Mr. and Mrs. Ronald E. Weiss. The wedding took place Tuesday evening.

Miss Charolette Weiss and Darrell G. Heiman Are Wed

Miss Charolette Weiss, daughter of Mr. and Mrs. Ronald E. Weiss, 3723 Nameoki road, and Darrell G. Heiman, son of Mr. and Mrs. Sherin Heiman, 1412 U.S. and the Oakland avenue, were married Tuesday evening at 8 o'clock.

The organist, Mrs. Carolyn Lewis, 3723 Nameoki road, and Ackern, soloist, as she sang, "All the Way Our Saviour Leads and 'O Perfect Love' and The Lord's Prayer.

The matron of honor, Mrs. Elva Jean Weiss, sister-in-law of the bride, served with Mrs. Virginia Troutman, a cousin, as bridesmaid. Cindy Weiss, another cousin, was flower girl, and the ring bearer was Brian Weiss, a nephew. The honor attendants were in blue satin embroidered sheaths featuring a bouffant skirt with a detachable headpiece of white net with satin bows, short white gloves and shoes completed their costumes. Flowers of white carnations with the centers dyed blue matching the gowns were carried.

The little flower girl was in a full length blue satin gown with white net over the blue. Her headpiece of flowers and net complemented the attire as she carried a white basket of rose petals.

Vance Weiss, brother of bride, served as best man, and John Troutman, cousin of bride, was groomsmen. Andy Heiman, brother of groom, and Mickey Weiss, brother of bride, were ushers.

The bride's mother wore a two-piece blue lace sheath with three-quarter sleeves and matching accessories. Blue tipped carnations made up her corsage. Mrs. Heiman wore a pink lace gown featuring a full skirt and had pink and white accessories and a pink carnation corsage.

A reception was served in the church basement immediately following the wedding. Co-hostesses were aunts of bride, Mrs. Rosa Lee Weiss of Marion and Mrs. Velma Troutman of Carbondale.

The young couple will be at home in July at 3723 Nameoki road. The wedding trip is to the Ozarks.

The bride is a 1964 graduate of the Granite City high school and is employed at the Annex Beauty Shop. The groom is a graduate of the Granite City high school and is employed by Inland Tug Co.

Miss Janet Heiman, groom's sister and Miss Cecilia Weiss, bride's sister, presided over the guests. Out-of-town guests were Mr. and Mrs. Walter Troutman and Mr. J. O. Christie, Mr. and Mrs. Herbert Weiss and daughter, Cindy, Mr. and Mrs. Pete Marvin, Mr. and Mrs. Clyde Weiss, Mrs. Don Carson, Mrs. Juanita English and daughter, Mr. and Mrs. Anty Heiman, Miss Linda and Sandy Whitelake, Mr. and Mrs. Gilbert Heiman, and children, Jim and Carol, Miss Carol Weiss, Ernest Hollmann, Mrs. LaDonna Stears and daughters, Mr. and Mrs. L. H. Weiss and sons.

A rehearsal dinner was given Monday evening by the bride's parents.

TOURS WASHINGTON, NYC

Miss Margaret Anne Juhasz, 2933 Madison avenue, a graduate of St. Elizabeth's Academy, will enter St. John's Mercy Hospital School of Nursing in September. She just returned from a week's tour of Washington, D. C. and New York City. While in Washington she visited the Capital, Arlington National Cemetery and the grave of the late President Kennedy. She visited the New York World's Fair and a number of interesting places. The trip was made by plane.

RETURNED TO ARKANSAS

Mrs. Alma Jackson and children, Nancy, Albert and Ronald and Miss Susan Young, 2059 Fourteenth street, returned home Tuesday after spending ten days visiting in Paragould, Ark., and at points of interest.

REV. ROBERT CARR, new pastor of Mt. Zion General Baptist Church, 21st and Benton streets. Rev. and Mrs. Carr reside at 2039 Benton street.

Rev. Carr New Pastor At Mt. Zion Church

Rev. Robert Carr formerly of Livermore, Ky., has accepted the pastorate of Mt. Zion General Baptist Church, 21st and Benton streets. He and Mrs. Carr, and their four daughters, Winona, 12; Janice, 11; Cynthia, 6 and Melissa, 4, are residing at 2039 Benton street.

Rev. Carr has attended Kentucky Wesleyan College, Owensboro, Ky.; Southern Baptist Theological Seminary, Louisville, Ky.; Oakland City College, Oakland City, Ind. He will hold his first services in Granite City Sunday.

He formerly was pastor in Warren, Mich., and Livermore, Ky.

Crash Damage To Church Will Cost City \$345

A bill for \$345 to repair damage to the First Presbyterian Church building, 22nd street and Delmar avenue, resulting from a traffic accident involving a city vehicle June 1, was received Monday night by Granite City council members.

Action on the bill was held pending receipt of a claim from David Morgan for damage to his auto. Morgan, who is executive director of the Granite City Housing Authority and chairman of the City Plan Commission, was uninjured in the crash at the intersection with a city auto being driven by City Inspector Jack Fricker.

Morgan advised the council his auto had been written off by his insurance firm as a total loss. The bill from the church amounted to \$320 to replace stones knocked out of the building foundation and \$25 for damage to shrubbery.

The church later in the meeting was granted permission to install a driveway at 2165 Edison avenue for its parking lot enlargement project.

Shopping Center Driveways
The city also was advised of the location of driveways for the new shopping center along Nant-eeki road being constructed north of the Kroger Market. The driveways will be for the shopping center parking lot and will be opposite Cottage avenue and Lindell blvd. The driveways also are subject to approval by the state highway department.

Permission was given for the James C. Green Construction Co. to connect a duplex dwelling at 2023 Johnson road onto the city's sanitary sewer system running under the middle of Johnson road.

The city was advised by the state highway department that a request for an additional \$30,000 motor fuel tax funds for the improvement of Woodlawn avenue has been approved. The total amount for the project will be \$110,000. No action was taken on the state's contract for 1964-65 maintenance of state routes through the city involving snow removal and cleaning. The state is offering \$1748.

Received and placed on file was an Illinois Commerce Commission notice that the warning system at the West Pontoon road rail crossing is to be changed for the eventual widening of the roadway from the present 24 feet to 32 feet. The automatic flashers are to be re-installed on cantilever arms.

The council also received and placed on file a letter from a resident of Terrace lane protesting the proposed rerouting of Bi-State Transit System buses off Terrace lane. The woman pointed out to the convenience of the buses.

SKATING PARTY PLANNED FOR GIRLS AUXILIARY

The Girls Auxiliary of the Temple Baptist Church of Madison opened its regular meeting on Monday evening with the watchword and pledge of allegiance. Sandra Raper welcomed Janice Campbell and Carol Sharp as new auxiliary members.

Paula Honey was appointed as prayer chairman for the meeting, with Vickie Thompson giving the scripture reading. Prayer for missionaries of the day was offered by Rosie Kelly.

A topic from the church magazine, "Tell," was read by the program chairman, Mary Lee Champion, who also gave the closing devotions. A social was planned for next Monday evening, when the group will join GAA of the Suburban Baptist Church for a skating party.

Before adjourning, the girls heard "The Legend of the Dogwood Tree" read by Mrs. Janet Gibbs. Others present were Peggy Gibbs, Claudia Hon and Mrs. Alice Risner.

FAMILY PICNIC PLANNED FOR PHEBEAN CLASS

Mrs. Lela Lively was noxious to the Phebean Sunday school

class of the First Baptist Church in her home, 1677 Fourth street, Tuesday evening.

Mrs. Mary Stanfill, president, presided over the monthly meeting, which was opened with prayer and a devotional by the class teacher, Mrs. Kenneth McDaniel.

Plans were made for a picnic to be held July 21, the regular meeting date, to which former members and families of class members are being invited. The picnic is to be held at Lee Park in Venice.

A birthday gift exchange was held with each member receiving a gift. Refreshments were served at the close of the meeting. Mrs. Veda Bolin, Mrs. Opal Pogue, Mrs. Ruth Hammett, Mrs. Ora James, Mrs. Gladys Patterson, Mrs. Jewel Ratliff and granddaughter, Joy Barr, Mrs. Stanfill and Mrs. McDaniel.

CANASTA CLUB MEETS WITH MRS. KOWALSKI

Mrs. Ruth Kowalski, 2037 Harris street, entertained the Canasta club in her home Tuesday evening.

Those playing were Mrs. Virginia Kittel, Mrs. Lucille Broyles, Mrs. Edith Gentry, Mrs. Connie Broyles, Mrs. Kathryn Hakkarainen, Mrs. Edith Limotovich and Mrs. Donna Dorris.

Mrs. Kittel and Mrs. Dorris held high scores for games, with Mrs. Connie Broyles and Mrs. Gentry being low. Prizes were awarded. Refreshments were

Granite City PRESS-RECORD

Page 18 Thurs., June 18, 1964

served at a late hour. Mrs. Connie Broyles invited the club members to her home, 34 Moreland drive, for the next get-together.

BIRTHDAYS OBSERVED AT DEN 2 MEETING

Cub Scouts of Den 2 met Tuesday afternoon in the home of Mrs. Bernadine Weidner. The meeting was opened with the pledge of allegiance to the flag, after which the pack meeting was discussed.

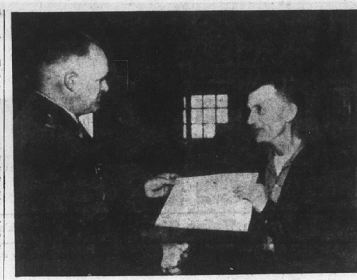

The boys completed their Father's Day project prior to enjoying birthday cake and ice cream in observance of the birthdays of Richard Shrum and Don Chief Steve Skokio.

Boys present were Chris Skokio, Billy Weidner, Russell Robinson, Eddie Kostick, and Jerry Dragich.

MADISON LADIES DISCUSS FOURTH OF JULY PROJECT

Mrs. Sally Maera, president of the Madison Ladies Club Organization, presided over a monthly meeting held Monday evening, at the Sportsman's club in Madison.

Mrs. Violet Bader and Mrs. Mary Bridick, co-chairmen, discussed a food stand to be sponsored by the group at the Fourth of July picnic. The other half

WILLIAM H. O'NEIL (right) receives a sustained superior performance award from Col. John M. Ansley, commanding officer of the Granite City Army Depot. Mr. O'Neil is an engineer equipment specialist in the directorate of maintenance at the depot. He received the award for his outstanding work from Feb. 12, 1963 to Jan. 31, 1964.

Carl L. Lochner, 6 Riviera drive, who was awarded an SWU certificate in industrial management last week, is an ironworker instead of a bricklayer as previously listed. It was reported today. Lochner was among three persons receiving the certificates. In commemorative exercises on the Quad Cities campus at Edwardsville.

The planet, with a surface temperature closest to Earth's, Mars.

Half the world tries to live up to a reputation—the other half tries to live one down.

Fall, Spokes, Gasoline Injure 3-Year-Olds

Three boys, all three years old, received emergency treatment Wednesday at St. Elizabeth Hospital. None was injured seriously. Three other persons were injured yesterday.

David Gibson, 3, was taken to the hospital at 11:35 a.m. by his mother, Mrs. Joyce Gibson, 2117 Alton avenue, after the boy had drunk an unknown quantity of gasoline. Catching his left ankle in bicycle spokes, Mark Winger, three-year-old son of Mr. and Mrs. Jack Winger, 3002 Kirkpatrick Homes, suffered abrasions to the ankle yesterday afternoon. Terri Warren, 3, son of Mr. and Mrs. Raymond Warren, 1230 Edwardsville road, suffered abrasions to the left ear when he fell against a small foreign car blew out and the ear overturned. Hershel Hicks, 21, of 2310 Missouri avenue, suffered injuries to his left hand. He was admitted to the hospital. Others treated were: Phillip Shands, 8, son of Mr. and Mrs. Robert Shands, 5029 Venice avenue, laceration to arm suffered when storm door glass was broken; and Cora Miller, 55, of 2179 Elision avenue, treated for a dog bite to her left lower leg.

The planet, with a surface temperature closest to Earth's, Mars.

Enrollment figures for the General Education Development program in the Venice school district stand at 116 pupils. Superintendent John O. Pier, announced today that 10 or 15 additional students are expected to register prior to the start of the summer program, next Monday.

Enrollment figures for the GED program, which is geared to assist those adults wishing to obtain the equivalent of a high school diploma.

To accommodate the overflow number of students, an additional afternoon session has been added to the previously announced schedule. Times for classes will be 8 a.m. to 10 a.m.; 10:30 a.m. to 12:30 p.m.; 1:30 p.m. to 3:30 p.m., and 7 p.m. to 9 p.m.

The course will last seven weeks, with participants required to attend five daily two-hour sessions for the seven-week period. Classes will be held in the basement of the Venice city garage, which Pier explained is air-conditioned and is considered more suitable for the summer months than the regular school buildings.

Figures released recently by Wilbur R. Trime, Madison county superintendent of schools, indicate 325 pupils in six school districts enrolled in GED summer programs. School districts will be reimbursed for tuition costs through public aid funds for those students eligible.

The previous high enrollment at Venice for the GED program was 82 participants in 1963.

Reber is Recuperating

James L. (Cotton) Reber, 2766 Grand avenue, is reported in good condition today, after undergoing major surgery Tuesday at St. Elizabeth Hospital. Reber is the foreman at the Press-Record.

Posts Bail at Madison

Gene Bewley, 34, of 2432 Tealwood avenue, posted \$25 bail with Madison police Wednesday to appear June 27 for hearing on a charge of disorderly conduct.

MORE ABOUT GC To Sell

(Continued from Page 1.)

ty should be sold to persons being displaced by the highway, but he questioned the method in which the sale would be conducted.

Mayer Davis replied it would be for cash only and on the first-come-first-serve basis. The method of announcing the sale was not given.

Alderman Paul Rutledge, chairman of the Finance Committee, called for a special session to study the city's new budget, now in the process of being compiled. It was decided to meet an hour earlier next Monday in order to conduct routine business and then review the budget proposal.

Sewage Fees Next Week?
Alderman Moerlein, who is chairman of the Special Pollution Study Committee, said the rate ordinance setting monthly charges for householders and industries for use of the sewage treatment plant also might be ready by next Monday night. The treatment plant is to be financed with a \$1,715,000 revenue bond issue.

He also called for the council to rescind the 50-year lease for a site at the Army Depot to insert a new clause governing charges against the depot in the event of an increase in the flow of sewage from the installation. The U.S. District Engineer at Chicago objected to the charge after a 10% increase, and the clause was changed for a fee to be negotiated when a "substantial increase" is noted. The lease contract with the reworded clause was approved.

For the 30-year lease of 14½ acres at the depot, the city is to pay the government \$460,000 a year and is to provide free sewage treatment for the depot.

Debate on Johnson
Employment of David Johnson & Associates, former city motor fuel tax engineer, was authorized when Mayor Davis said the deciding vote Monday night. Johnson's form is to be continued by the city.

Argument with Former Wife
Madison county sheriff's deputy who first received the report from the Madison police department and investigated, said Hamilton had been talking to his former wife on the telephone, became angered, hung up and then returned.

In a statement to county authorities, Hamilton said he shot once or twice at the floor and that the patrons began to leave. One man stayed to try to quiet the shooting and pleaded that he not be shot.

Hamilton shot a whisky bottle on the bar, then a drink from another bottle and broke it over the bar. He then ran down the stairs and hid in a room.

He told county authorities he had no intention of shooting anyone, but that he must have fired the gun five times while in the room and that two or seven shots were left. There were four customers in the tavern at the time.

Five Drivers Arrested In Radar Speed Cases
Five drivers were arrested Wednesday afternoon at 2400 W. 23rd street and at 23rd and August streets on charges of speeding in excess of 40 miles per hour in 30-mile zones as indicated by radar.

The SIU Vocational Technical Institute will train selected persons in 44 different occupational categories.

Side of Auto Scraped
As she approached a stop sign on North avenue at Pontoon road, Helen E. Dooley, 32, of 1640 Spring avenue, overrode her car to the right in an attempt to avoid an oncoming car driven by Gary Ward, 16, of 21 Madison street.

The misap occurred at 1:10 p.m. Wednesday.

Eight Traffic Accidents Occur in Wednesday Rain

A similar accident occurred on Granite City streets during the rain Wednesday afternoon. No one was injured and there were no arrests.

Frederick M. Davis, 33, of Godfrey, southbound on Madison avenue at 3:35 p.m., went into a spin and struck a parked truck owned by Tri-City Motors at 1725 Madison avenue.

Cars driven by James L. Horton, 16, of 345 Glen Court, and Alfred W. Schriber, 49, of 3242 Colgate drive, collided at 4:10 p.m. at 2424 Madison avenue and slid into the Schriber's southbound car at 3:55 p.m.

Because of wet pavement on Madison avenue at 22nd street, car driven by Richard G. Price, 26, of Vandalla, struck the rear of one driven by George A. Schriber, 49, of 1701 Madison avenue, who was stopped for traffic.

Granite City PRESS-RECORD
Page 22 Thurs., June 18, 1964

MORE ABOUT Park Land

(Continued from page 1.)

termed the plan "a sensible approach."

"It's silly to have the park district put in facilities and then have them used by a community along and put in the same facilities right next to them, or vice versa," Johnson said.

Barry Loman, park board president, and the other commissioners agreed. "We're not supporting agencies and the taxes all come out of the same pocket—so why shouldn't we have produced great savings and more desirable recreational and educational areas."

Daniel Linder, school board president, who Johnson said was a school representative, said his board had also reacted enthusiastically toward the plan.

The park district will immediately to iron out details and further meetings will be held. Linder said he hoped the negotiations on the new park site could be completed within a month.

The proposed site is 300-by-384 feet and the school would have produced great savings and more desirable recreational and educational areas.

The park and school boards have worked closely in previous years over the park district utilizing school buildings and the school district using park grounds for various activities.

Protective Screens
In other business, the park board voted to install protective screens on the bleachers of baseball game. Since younger boys play at Nos. 3 and 4, their fouls normally don't carry far enough to endanger spectators at Nos. 1 and 2.

The board also rejected a \$45 appraisal on 1180 square feet of land sought by the state for widening of Pontoon road just west of Nemadji road. They voted to ask \$600 for the property.

Revision of the insurance coverage on property at Wilson Park and the Community Center was discussed but no action taken. Harold Brown, director of parks and recreation, reported on the lineup of activities for the month of July celebration scheduled for July 1-5 at Wilson Park.

Burglars Steal Cash, Radio, Beer

Seven cases of beer, a spare tire and the knobs from a car radio were among the selections thieves in Granite City, Ill., made in a burglary at two firms in the August meeting. He noted that a fairly accurate estimate of income cannot be made until final balances are known in each fund, and the balances will be ready by July 1.

The board accepted a resignation from Mrs. Mabel H. Thomas, fifth grade teacher at Louis Baer school, who is retiring along with her husband, George Thomas, who recently retired as a high school teacher.

Hire Two Teachers
Hired to fill the vacancy was William Gushoff of Madison, a graduate of Southern Illinois University, who will teach the sixth grade at Louis Baer.

Also hired was Mrs. Alice Woolfolk Carter, a graduate of Madison high school, as a fifth grade teacher at Blair school. She will receive her degree this summer from Lincoln University at Jefferson City, Mo., and serve as a substitute teacher.

Radio Stolen
A transistor radio and a four-band radio was stolen from the window of S. L. Radio & Television Co., 1936 State street, at 3:20 p.m. Wednesday while James Vaughn, an employee, was answering a telephone call.

Vaughn told police that two men entered the store and asked about prices. After he answered the phone, he noticed that the two men were gone. He identified one, a 26-year-old East St. Louis resident, who was questioned by police. The suspect denied taking the radio and said he did not know the other man.

1964 Auto Stolen
Walter Kern, Collinsville, reported at 4:20 p.m. Wednesday that his 1964 Ford Mustang was stolen after 7 a.m. from the Granite City Steel Co. parking lot at 21st street and Lee avenue.

Seven cases of beer were taken from a cooler located on the north side of a tavern building at 1901 Adams street, it was reported at 11:50 p.m. Wednesday. The lock was knocked off.

Helen Roussin, 309 Pontoon road, reported at 6:30 a.m. Thursday that a spare tire was stolen from the trunk of her 1958 Oldsmobile in her driveway Monday night.

State C. of C. Meet Tonight at Alton
Nicholas P. Veeder, president and board chairman of Granite City Steel Co., is co-sponsoring an Illinois State Chamber of Commerce dinner-meeting scheduled for this evening at the Hotel Stratford in Alton. A large delegation of local businessmen is expected to attend.

According to Chester L. Baker, President C. of C. president, the dinner will be represented at tonight's dinner. Featured speaker will be State Chamber President Sam E. Dean, board chairman of Dean Foods Co., Franklin Park. A panel discussion of current state and local economic and legislative issues is planned by Chamber officials.

Battery Charge Filed
Vernon Parks, 21, of 4807 Kirkpatrick Homes, was taken into custody at 5:20 p.m. Monday on a state warrant charging resisting arrest and battery. Parks, 2013 Rhodes street, was signed by Joseph Bergfeld.

Past Presidents Cited at Madison Rotary Banquet

New officers were installed and past presidents were honored at the annual Madison Rotary installation banquet last night, held at the Shogun restaurant, Wood River.

Former presidents attending included Lewis Waggoner, the retiring president; George Frangoulis, who served as master-of-ceremonies; and Mayor Stephen Maestas, Leo Schermer, Harry Cook, Mike Sasyk, Jack Friedman, William Mohl, Frank Pisan, Harry Thebeau, William F. Winter, Fred Schmidt and Alex Schenbaffer.

Another past president, E. A. Friedman, served as installing officer. He is the only one of the 25 charter members still active in the club 39 years after its formation. He and Sam Hacker, a retired member, are the charter members still living.

Lawrence Palkes, owner of the Madison Iron and Metal Co., was installed as president for the year beginning July 1. Harry R. Johnson is the new first vice-president; Charles Foley, second vice-president; Anthony Zedolek, secretary; Harvey Miller, treasurer; Wayne Scannell, sergeant-at-arms; and Fred Schmidt, Leo Schermer and Harry Thebeau, directors. Not shown are Harry R. Johnson, first vice-president, and William F. Winter, director.

MADISON ROTARY OFFICERS for 1964-65 are pictured at their installation last night. Seated (left to right) are Anthony Zedolek, secretary; Harvey Miller, treasurer; Lawrence Palkes, president; Charles Foley, second vice-president; and Lewis Waggoner, director and retiring president. Standing (left to right) are Alex Schenbaffer, director; Wayne Scannell, sergeant-at-arms; and Fred Schmidt, Leo Schermer and Harry Thebeau, directors. Not shown are Harry R. Johnson, first vice-president, and William F. Winter, director.

Family Counseling Service Available on Mondays

A family counseling service made available through the Protestant Welfare Association is now functioning each Monday from 7 p.m. to 8:30 p.m. It was announced Tuesday evening during an association meeting at St. John Lutheran Church, 2001 St. Clair avenue.

Rev. George Sagen, pastor of the First Baptist Church, Granite City, chairman of the counseling service, reported ministers serving as family counselors for June are Dr. John Dickinson, Rev. G. L. Jujawski and Rev. W. S. Cravens. Appointments for counseling sessions may be obtained by calling the Protestant

Welfare Office at TR 6-8770. President Lennie Cuckarell conducted the business meeting with Bryan Waggoner named as second vice-president, replacing Otto Grasse, who recently moved to Marquette Heights, near Pekin. Monthly reports were presented by Mrs. Mary Simons and Mrs. Irma Taylor.

Mrs. Marie Whittle, office secretary, announced excellent public response to a recent clothing appeal, however, new or used boys bluejeans are still in short supply, she added. She informed the 25 board members present that 19 cases involving 53 persons were referred to the office in May, an unusually small number, she said.

The organization was requested to provide various types of assistance. Mrs. Whittle reported, including families having marital problems which involved children, legal advice, home nursing, child neglect and financial help. Relief distributed by the office, including food, medical, new shoes and clothing, totaled \$271.94. Used clothing, furniture and other items distributed from the Welfare store room was valued at \$166.

Rev. Samuel Boda, pastor of the host church, gave the devotion. The July meeting will be at Granite City Trust and Savings.

Miss Sai Lee Awarded Two U of I Grants

A Korean girl, who came to the United States only four years ago and who wants to study medicine, has added two more to her collection of college scholarships.

Sai Hyun Lee, 18, daughter of Mrs. Mary Lee, 2830 Cayuga street, was an honor graduate this month of Granite City high school. At home day she was awarded a grant from the Granite City Scholarship Foundation. This week she received word of two more scholarships from the University of Illinois, where she will enter as a pre-medical student in September. One was a university scholarship waiving tuition. The other was the \$500 Dr. Charles Howard scholarship, granted to highly qualified students in medicine.

Fuel-Usage Data Sought In Air Pollution Study

Questionnaires on fuel usage and refuse disposal practices have been mailed this week to about 1000 business firms and government agencies in the two-state metropolitan area by the executive committee of the Interstate Air Pollution Study.

The questionnaires went to owners and operators of private office buildings, stores, hotels, schools, hospitals and other institutions. A separate questionnaire for industries is being prepared and will be ready for mailing soon.

The non-industrial forms seek information on types and amounts of fuel burned, the types of furnaces used and the types of air pollution control

devices, if any, being employed. Operators of buildings in which waste materials are incinerated are also asked to estimate the amounts burned and to describe the types of incinerators being used.

Replies will provide data to determine the volume of emissions from commercial, industrial and residential sources of air pollution in the two-state area. Fuel-use data for homes in the area have already been obtained from census figures. The industrial forms will cover fuel-use and waste disposal as well as other processes utilized by industries in the area.

Recipients of the non-industrial questionnaires are being

Dies at Little Rock

Word has been received from Mrs. Ada Bowen of Little Rock, Ark., formerly of Granite City, of the death of her son-in-law, Noel Rusk, who died Tuesday morning in Little Rock. Mrs. Bowen, who is well known here, has resided with her daughter and son-in-law for the past two years.

asked to complete and return them within 15 days. Data in the forms will be transferred to punch cards for automatic tabulation.

Indiana Man Held

Elvis J. Howard, Columbus, Ind., had been released by Venice police today after paying fines and costs totaling \$35 to Police Magistrate Wesley Edwards. Howard pleaded guilty to charges of trespassing, resisting arrest and drunkenness. Venice police arrested Howard early Monday morning after he had driven his pickup truck into the Terminal Yards. Police said he became abusive when they tried to get him out of the truck and force was necessary to take him to police headquarters.

Press-Record YOUTH FOCUS

Youths Get Jobs Through Want Ads; Others Still Look

Free "We Want to Work" ads published the last two Thursdays in the Press-Record by youths in the Quad-Cities area produced a 45% favorable result, according to a sampling taken this week. Employers had a selection of 90 ads in the June 4 issue and 115 in the June 11 issue of the newspaper from college and high school youths offering to do a variety of work, including anything to help them pay for their educational expenses.

Donald Mulnik, 1516 Fifth street, Madison, who listed experience in fishing rod repair and building, was called upon twice to assist anglers with their equipment.

Judy Loftus, a Granite City high school graduate who plans to enter college and become a mathematics teacher, was offered housework. She was among several girls called upon for house cleaning duties.

Two brothers, Dean Ethington, a high school student, and Carl Ethington, a college student, each received jobs with the older youth working full time during the summer.

Debbie Spengler, 2608 Adams, who offered to work as a typist, babysitter or waitress, now has two baby-sitting clients.

Howard Jungels, a college student who offered his services as a tutor for the summer, received two bids and so far has accepted one of them.

One ad produced a different, though pleasing result. Sandra Thomas, 17, of 75 Grenzer Homes, Madison, received several telephone calls from boys.

Mary Caruso Enrolls In Medical Lab School

Miss Mary Caruso, daughter of Mr. and Mrs. Clifford Caruso, 733 Broadway, Venice, has enrolled in the Gradwohl school of laboratory technique in St. Louis.

She will take a one-year course of training in medical laboratory technology, then serve a six-month internship in a hospital laboratory, after which she will be a qualified medical laboratory technologist.

She is a 1964 graduate of Venice high school where she was one of the top students.

A softball diamond has 60-foot baselines and a 46-foot pitching distance. The ball is 12 inches in circumference and weighs six to seven ounces.

Kalchoff Top-Ranked Senior at Madison

William Pete Kalchoff, son of Mrs. Dorothy G. Kalchoff and the late Mr. Pete A. Kalchoff, 1403 Twenty-Seventh street, was the top-ranking senior in this year's Madison high school's graduating class. It was announced this week.

The school made the announcement after totaling grades for the full four years.

Kalchoff was class president four years and served as president and secretary of both the National Honor Society and the Student Council. He was also co-editor of the school yearbook and on the staff of the school newspaper.

He qualified to receive a scholarship to a University in Illinois but has chosen to start pre-medical training at Washington University, St. Louis.

TOP SCHOLAR at Madison high school's graduating class, William Pete Kalchoff.

James Ashley Accepts Job With Alton Firm

James L. Ashley, son of Mrs. Dorothy Ashley, 1737 Third street, Madison, a June graduate of SWIU, has accepted a position with the Alton Box Board Co.

A recipient of a bachelor of science degree, Ashley was graduated from Madison high school and was recently married to the former Judy Rollins.

Miss Mitchell Attending Sports Workshop in Iowa

Miss Dorothy Mitchell, 2323 Washington avenue, physical ed. of SWIU, is currently attending a two-week workshop on sports for girls and women at the State University of Iowa, Iowa City.

'Music Under Stars' Opens Tonight at Wilson Park

An 85-voice chorus will be the featured performers this evening at 8 o'clock as "Music Under the Stars" opens its summer season in Wilson Park. The public is invited to the program, to be held at the 27th street and Delmar avenue entrance to the park.

Directed by Warren G. Simpkins, vocal music director at Granite City high school, the chorus will sing selections from recent Broadway musical com- edies, including "My Fair Lady," "South Pacific" and "The Music Man."

Solists will be Diana Jo Thrus and Raymond Voorhes. Karen Brown will accompany on the piano.

The program is sponsored by the Granite City park district.

Robert Millikin Honored
Robert Millikin, son of Mr. and Mrs. Joseph W. Millikin, 2907 Iowa street, was one of 23 students named to the dean's list for the past semester at Arkan- sas College, Batesville, Ark.

He attended Indiana Universi- ty's high school journalism in- stitute where she was runnerup for the Arbutus scholarship and an ordinary tennis ball, deeded by the price of a pin. Rectangu- lar plywood or plastic paddles and a 44-by-26-foot court are used. Scoring, strokes and strat- egy are the same as regular tennis.

SUSAN SANDERS

Kennedy Granddaughter Tops Class in Indiana
Susan Sanders, daughter of Mr. and Mrs. John Sanders of Hammond, Ind., former Granite City resident, was the valedictorian of Gavit high school, Ham- mond.

She is the granddaughter of Mr. and Mrs. Arthur Kennedy, late Rev. John Sanders, former pastor of the First Presbyterian Church here, and Mrs. Sanders.

It was the first graduating class of the school and included 138 seniors. Miss Sanders was editor and business manager of the yearbook, the Futura, presi- dent of the French club and member of the National Honor Society, Quill and Scroll, the Student Council, the National Forensics League, the Girls Ath- letic Association, the English club, the Traffic Safety club and the staff of the school paper, the Scroll.

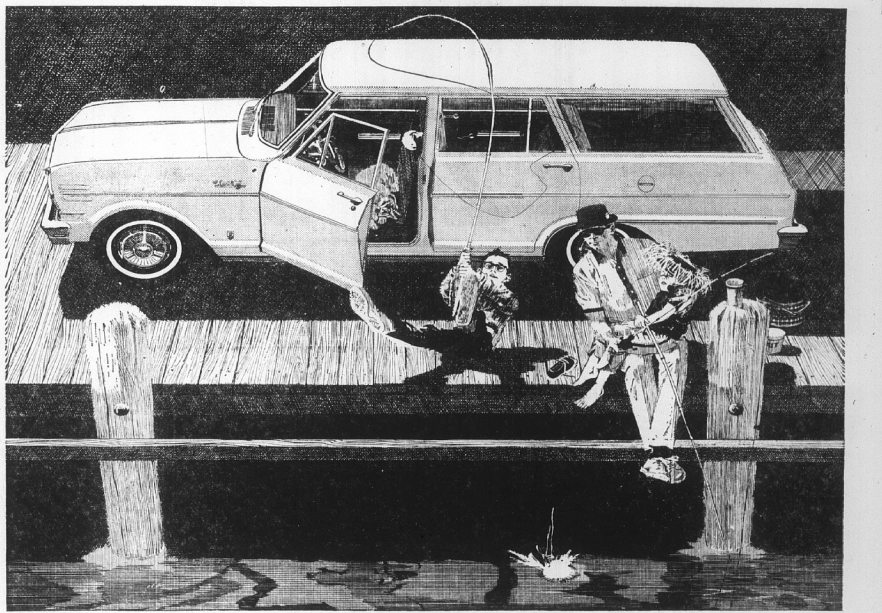

She plans to attend Indiana University and study either in- quistics or law.

Now 6-Passenger Station Wagon

CHEVY II by Chevrolet

If you thought Chevy II was thrifty before, you should see your Chevrolet dealer now

You couldn't pick a better time to buy one! Stick with Chevy II and you'll go places this summer—economically. Spacious wagons. Sedans. Sporty Sport Coupes. Take your pick. They're all tightwads.

The Nova wagon for instance, like all Chevy II's, adjusts its own brakes. It's got a control generator to lengthen a battery's life. The engines are real gas scoogers. And the rocker panels take in rain water to flush them- selves free of rust-causing salt and dirt.

Inside the Nova wagon, where you can seat six anglers with tackle boxes, there's deep-tuft carpeting sur- rounded by vinyl that's as washable as tile. Behind that,

a storage area with as much room as the insides of seven good-sized refrigerators. And that kind of space is going to bring home a lot of sunfish.

As for rough terrain, Chevy II gobbles it up painlessly. And quietly. The untuned body is built tight. The same unique single-link rear springs that contribute to Chevy II's smooth ride are also geared to take more of a beating than comparable multi-link springs. These springs can't squeak and never need lubricating.

This all naturally leads us to price. Your Chevrolet dealer has that pleasant story. Why don't you get together and make some vacation plans.

Miss GC Pre-Pageant Party Set Saturday

Information on the annual Jaycees Miss Granite City Pageant will be presented to contestants at a pre-pageant party scheduled for Saturday at the First Granite City National Bank building. Sponsored by the Granite City Junior Chamber of Commerce, the beauty-talent seeking contest will be climaxed with the selection of the title-winner on July 11, at the Granite City high school auditorium.

Murphy Wins 2nd In State Legion Auxiliary Contest

Thomas Murphy, who won second place in the Illinois department Americanism essay contest sponsored by the American Legion Auxiliary.

There are no social sororities or fraternities at Southwestern Illinois University.

Granite City PRESS-RECORD
Page 30 Thurs., June 18, 1964

Thomas Murphy, son of Mr. and Mrs. Edwin Murphy, 2412 Lincoln avenue, won second place in the Illinois department Americanism essay contest sponsored by the American Legion Auxiliary, it was announced this week by the Tri-City Legion Auxiliary Unit 113.

A total of 18,180 essays from throughout the state were entered in the contest, Mrs. McCollegan said.

Murphy will receive a \$50 savings bond from the Legion Auxiliary at its annual state convention on July 30 at Chicago. In advancing to the state, Murphy won local, district and division contests.

The 18-year-old honor student recently was graduated from Granite City high school and plans to enroll at Southern Illinois University at Carbondale.

At school he was a member of the Latin club and the National Honor Society. A twin brother, Edwin Murphy, graduated with him, also with honors.

The youth currently is looking for a summer job to help with college expenses. Jaycees officials said today that ten prospective candidates have indicated interest in competing in this year's pageant. Additional applications are still being accepted. Spinks added, with further information available by calling him at TR 7-2807, or attending the pre-pageant affair.

To qualify as a candidate for the title of Miss Granite City, girls must be single, a high school graduate and between the ages of 18 and 28 on Sept. 1, 1964.

In answer to several inquiries, Spinks stated that professional vocalists, dancers or other talented performers are eligible to compete in the contest.

The local winner will receive a \$150 scholarship award from the Pepsi Cola Bottling Co. of Alton, a \$50 wardrobe and a trophy from the Jaycees, plus an all-expense paid trip to Aurora, July 28 to Aug. 1, for the Miss Illinois contest.

The state finalist receives a \$1000 scholarship and a trip to Atlantic City, N. J., for competition in the Miss America contest in September.

HIS THIRD CADILLAC...HIS FIRST NEW ONE

This man is enjoying his first brand-new Cadillac—after becoming acquainted with the car's unsurpassed value by twice buying used Cadillacs.

He learned that a late model used Cadillac gave him more standard equipment and engineering advancements than most new cars.

First of all, while Cadillac's styling was continually refined, it never lost the clean, dignified look that says Cadillac and Cadillac alone. The smooth, quiet performance and complete reliability of his used Cadillac was a constant source of enjoyment. Then, too, he and his family enjoyed luxury and comfort to a degree reserved exclusively for Cadillac owners.

The pride of ownership of so distinctive a car was a never-ending pleasure, for he had the satisfaction—always—of knowing he drove the finest.

When it came time to trade his previously owned Cadillac for a later model, he found its value had held remarkably high... and returned a substantial part of his original investment.

So what could be more natural—or wise—than to make the eventual move to a new Cadillac?

New or used, there is no finer motoring investment than a Cadillac. And new or used, your authorized dealer has one to fit any budget. There's never been a better time to invest in the finest of them all.

MORE TEMPTING THAN EVER—AND JUST WAIT TILL YOU DRIVE IT—SEE YOUR AUTHORIZED CADILLAC DEALER

Senior Citizens to Observe Own 'Week' With Open House, Program Of Displays, Demonstrations; Expansion of Activities Planned

COMPETITIVE GAMES help while away what otherwise might be tedious hours for members of the YMCA-sponsored Senior Citizens club which meets regularly for recreational activities, trips to historic and scenic sites or devotion to hobbies. In this group, some members play while others kibitz in one of the "Y" club rooms.

A GOOD GAME of checkers is a potent standby for young and old alike, but Senior Citizens William Butler and Fred Rupp are players of long standing. Checkers and games of all kinds are foremost among recreational activities of the Senior Citizens club in the YMCA club rooms.

COMMUNITY SINGING gets top billing among activities of Senior Citizens as they gather for a four-day program at the YMCA. All "Y" facilities are available to the club members at specified times to augment the regular complement of games and handicrafts.

Parked Auto Struck while it was parked at the curb on Olive street near Niedringhaus avenue, was struck by a hit-and-run driver 12 m. Monday.

For those who are 50 plus in age and young at heart, the Senior Citizens of Granite City offers a fulfillment of the need for work and recreational activity in a program that already is currently full, but which promises to offer more and more until it becomes one of the most outstanding organizations of its kind.

To emphasize the well-rounded program of the Senior Citizens, the YMCA-sponsored group will observe "Senior Citizen Week" from Sunday, June 21, through Sunday, June 28, with a series of activities climaxed by a Sunday Social at the YMCA from 2 to 5 p.m. on June 28. Crafts, painting, needlework and other items made by Senior Citizens will be on display and a planned program will be presented, featuring community singing.

A proclamation declaring "Senior Citizen Week" has been issued by the Quad-City Mayors. A campaign to obtain new members will be conducted during the week, although the organization always is open to new members. Approximately 100 persons now belong to the group.

Lunch on Thursdays Senior Citizens follow a full program of activity with all facilities of the YMCA open to the members at specified times—swimming, exercise classes, art, ceramics and other crafts. Thursday, for example, is one of the busier days. Most of the members are on hand by 10:30 a.m. and sometimes a "potluck" luncheon is served. If not, food is obtained from the "Y" Snack Room.

After lunch, the group holds its business meeting in one of the air-conditioned club rooms. Committees report, open discussion is held and at times gets quite lively with everyone voicing an opinion. With business disposed of the meeting ends with prayer.

The remainder of the day is spent working on various hobbies, or in games of competitive but not gambling nature—dominoes, checkers, scrabble and many others. The group entertains frequently, inviting similar groups from neighboring communities and then, in turn, responds to invitations to visit them.

Tours And Excursions

Trips to historic and scenic places are made. Just recently the Senior Citizens visited Grant's Farm in Missouri and next fall plan to make a trip to Springfield.

There is no limit to the activities already on the agenda and planned for the near future. On the program for this year is the organization of a Kitchen Band with Gay Nineties costumes for the members who would be available, after some practice sessions, to perform for clubs and various organizations of the area. Also in the planning stages is a series of cake sales, a rummage sale and a card party, the proceeds from which would go into the club funds to help finance their activities.

Establishment of a plant trading center, at which any member with a surplus of plants of one kind could trade them for other types, also is being planned by the group, as is the preparation of a cook book of "Granny's Specials."

Foremost among new projects on which preliminary work already has begun is the setting up of a "Country Store." The store will be a replica of the old fashioned country store, complete with pot-bellied stove and a checkers table. Management and operation of the store will be handled by men Senior Citizens. The merchandise would be handicraft work of the members of wide variety such as spices, homemade soaps, small sachets, embroidery work, and candles, pies and cakes from handed-down recipes.

The club emphasizes that there is always a welcome for new members, for whom there is no charge by the YMCA except for payment of \$1 for insurance which covers members on trips, outings and various activities. The only requirement is that the member be past 50 and "young at heart."

All activities are planned by the group as a whole, but no idea is rejected without careful consideration. The Senior Citizens have extended an invitation to those who do not yet belong to join them on Thursdays.

Gasoline Siphoned

Harold Larner, 2405 Edwards street, reported at 10:45 p.m. Monday that about a half tank of gasoline was siphoned from his 1933 auto while it was parked at 27th street and Delmar avenue.

Twilight Optimists Plan Installation

The Twilight Optimists club held a short meeting Monday night at the Rose Bowl restaurant to discuss the coming installation of new officers, to be held at the restaurant Saturday, June 27. Robert Spengler, retiring president, presided over the meeting, attended by 12 members.

The installation, being arranged by Barry Loman and George England, will begin at 6 p.m. with a cocktail hour, to be followed by dinner and dancing. Wilson Andrews will become the club's new president. Reception of a check for \$40, second place award in the state Optimist bowling tournament held recently at Quincy, also was announced. The next regular meeting will be July 6.

Popcorn Machine Riffed

An unknown amount of change was taken from the coin box of a popcorn machine, at the Scotchwash laundromat in the Bellefonte Village shopping center, it was reported at 3:50 a.m. Tuesday.

Drunk, Peace Charges

Joseph Bloodworth, 47, of 2116 Iowa street, was charged with being drunk and creating a disturbance after he was arrested at 1:05 p.m. Monday at 2145 State street.

Ensign Wallace in Crew Which Donates Blood

Navy Ensign Donald L. Wallace, son of Mr. and Mrs. Clarence L. Wallace of 3144 Myrtle avenue, was a member of the crew of the USS Catamount which this month donated 53 pints of blood to the University Hospital of Kobe, Japan. He is with the U.S. Seventh Fleet in the Far East.

Paddlers Swimming, Diving Team Prepares to Launch 3rd Full Season

STOPWATCH IS READY to time senior division boys as they take the "set" position prior to a practice race. Left to right are Jim Dunn, Jim Brawley, Pete Sabin, Randy Thompson, Stan Hoffman and John Evenden.

Since its organization in 1961, the private Paddlers Swim Club competitive swimming and diving team has become one of the most formidable organizations in the area.

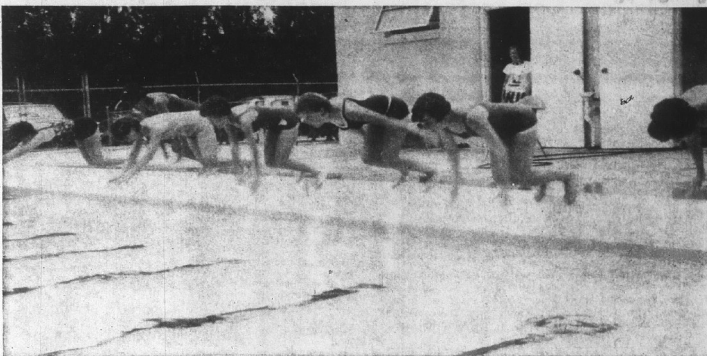

Coached by Keith Parker, who organized the team, the Paddlers compete in the Southwestern Illinois Swimming Association. In the past two seasons, the team completed identical 11-1 dual meet records.

The team consists of about 70 swimmers who compete in divisions ranging from age 8-and-under to senior (ages 15-17). This will be the third full season.

A mothers' club assists the team with transportation, organization and financing. A large crowd of parents and friends turns out for the home meets.

First competition this season will be the June 20 Herrin Relays. The home opener is at 6 p.m. June 25 against Dorchester of Belleville.

Photos on this page were taken during a recent practice session.

GIRLS DIVE IN, trying to improve racing starts. Left to right are Ellen Chapman, Pam Toudas, Laura Hoffman, Pat Toudas, Jane Dulgeroff, Cindy Zahn and Pat Parker.

Like the rest of the team, girls practice every day, aren't afraid to get their hair wet.

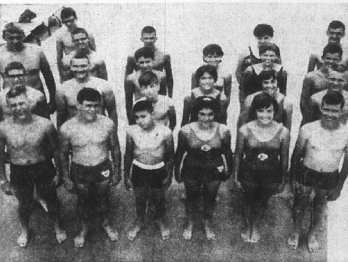

All Photos by Press-Record Photographer

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

This is the first edition of a weekly hunting and fishing column which we hope will keep you informed as to what happens locally in this regard. Occasional correspondence with pertinent information that might otherwise be missed will be welcomed. This will be strictly a personal article and is in no way connected with the State Conservation Department.

We will try once in a while, however, to remind you of seasons and laws that may assist you. Closest of these is frog season which opens June 15 and closes Aug. 31. Remember it is unlawful to take anallfrogs with a gun of any type including rifle and air gun. From personal observation there are not too many take-size frogs this year; however there may be exceptions on some private lakes.

Deer season for shotgun hunters will be Nov. 20-21-22 and again on Dec. 4-5-6. June 29 is the first day that applications will be accepted in Springfield. If mailed, they must not be postmarked prior to June 27. Shotgun hunting is permitted only in certain counties and applications must specify in which county you wish to hunt.

Madison county is not open for shotgun hunting. The county, however, will be open the first time this year for hunting deer with bow and arrow. The season will be from Oct. 1 to Nov. 15 and from Nov. 24 to Dec. 31 with the exception of the seven days starting Nov. 30, and ending Dec. 6.

First date for application for a permit is June 29 with mail applications not to be postmarked prior to June 27. There are restrictions as to equipment but unlike shotgun hunting there is no special clothing required. As in all hunting, be sure to get the landowner's permission before hunting on his ground.

Bass Are Hitting Bass are beginning to hit again with part of the spawning season. There are some bass still not spawned however in the larger lakes. Although we have not seen many large stringers there are several reports of individual lunkers taken.

Night fishing for catfish has been spotty in some of the lakes. We saw a nice string of channel cats taken on bobbers and crawfish bait with the largest going 3 1/2 pounds. We also heard of several nice bullheads being taken on night bank lines using crawfish and small fish for bait.

Here arises a point of special interest: Small perch and bluegill can be used for bait if they are first caught legally on hook and line and are then used for bait in the same water that they were originally caught in. A small perch hooked at the top of the back and allowed to swim just under the surface hanging

Heavy River Fishing

The Mississippi River below the Chain of Rocks Dam continues to be heavily fished. Catches have ranged from good to fair there. Nice catches have been reported on saugers, drum, carp and sturgeon. Best bait seems to be the common worm cast far out with a heavy sinker and fished tight line. The rise of last week and muddy water has slowed down the catches, but not the fishermen.

Catfish have also been reported biting fairly well in the Hartford or Cahokia canal and reports of channel cat in Silver Creek are good testimony of the decrease in pollution. We hope to see the day when Silver Creek will again be the good fishing place it once was.

Whole kernel corn straight from the tin can is the newest rage in carp bait in the Granite City area. Good catches are reported using several kernels strung on a small short shank hook. Other baits include a ball of Wheaties and four paste and the old standard dough bait.

Pittsburgh Pirates Sale

Tryout Camp At Salem High

A baseball tryout camp will be conducted June 26-27 at Salem, Ill., by the Pittsburgh Pirates of the National League. The camp will be held at Salem high school under the direction of Chet Montgomery, scouting supervisor.

The Friday and Saturday workouts will start at 9 a.m., and conclude about 2 p.m. Players must be 16 years of age and no American Legion players can try out if such participation will interfere with Legion activities unless their coaches write letters of approval.

Moose to Open Season

schedule revision caused when Alton dropped from the District 10 slow-pitch softball league, has moved back the opening date for the Granite City Moose Lodge 272 team to this Sunday. The club is slated to visit Edwardsville at 3 p.m. on Chapman's Field.

HARD-CHURNING ARM of Paddlers swimmer sticks from water during rigorous workout. Early concentration has been on severe conditioning. Senior division swimmers swim at least a continuous 400 meters—about 437 yards daily.

EMERGING FROM WATER after pushing off in backstroke practice, left to right, are Angela Gasparovic, Sue Lybarger, Sue Hogan (still under water) and Mary Ellen Dunn.

Lybarger, Sue Hogan (still under water) and Mary Ellen Dunn.

Lincoln Place Snags First In Prep Snaps

Lincoln Place took undisputed possession of first place in the High School League slow-pitch softball standings with a 3-0 victory over the King's Men Thursday night at Wilson Park. The King's Men jumped to a 4-0 lead in the first inning on hits by Rich Bledsoe, Vince Deleve, Gene Bryant, Joe Hauptman and Frank Demjan plus an error.

Joe Hines' homer in the second was the first run for Lincoln Place, which tied the score on three fourth-inning runs by Gary Willard's single, Elise's triple, a double by Dana Laka, too, an error and pitcher Haig Nighthosian's two-bagger.

The final and deciding run came in the fifth on Ron Yates' triple and Elise's third hit, a single. Lincoln Place has a 3-0 record to the 2-1 mark of the King's Men.

Jacobsmeier's Hands Jiffy First Loss And Bellemore Snafes First Place Tie

Jacobsmeier's handed Jiffy Car Wash its first 35 & Over League defeat 13-8 Thursday night in slow-pitch softball at Wilson Park. In the second game, Bellemore Sporting Goods downed Local 16 by 16-8 to tie Jiffy for first place.

Al Paskus' three singles gave up the balanced 17-hit assault by Jacobsmeier's. Getting two hits each were Ted Suko, Stan Serwaika, Harry Taylor, John Allen, Delbert Coy and Les Thompson. Taylor, Thompson and Bernie Dennison hit triples.

Pitcher Allie Jacobsmeier gave up 12 hits including two each by Harold Mainor, Rich Fry and Paul Thompson and a homer by Larry Puente. Jacobsmeier's broke a 6-6 tie with five runs in the fourth inning.

Mathews Chevy Plays League Doubleheader

Mathews Chevrolet takes on Moellle-Thurmer at 7:30 tonight in a Bi-State League softball doubleheader at Manchester, Mo.

Manager Bob Stegemeyer's club stands 4-4 in the new league and is 11-9 overall. On Saturday night, Mathews plays an exhibition doubleheader against the VW at Caseyville.

Mathews, formerly the Granite City park district team, won second place in the state tournament last season. The next home game is Wednesday night against state champion Alt-Wood.

A decade ago there were only 8500 residential pools in America; now there are close to 300,000.

Tavern League Schedule

Three Tavern League slow-pitch softball games are scheduled for 10:30 a.m. Sunday. The schedule: Lakeside Inn vs. Tony & Joe's at Wilson Park; Polish Hall vs. Buzz's Tavern at the Third street diamond, and Sportsman's Club vs. Bowland at Lee Park.

Stan Musial hit, 379 at Springfield, Mo., in 1941 before advancing to Rochester and the St. Louis Cardinals the same season.

"By the word of the Lord were the heavens made; and all the host of them by the breath of His mouth."

Tree trunks used in the sport of log rolling are 13 feet long and 14 to 20 inches thick.

4300 of All Ages Busy in Park Programs

Nearly 4300 persons, most of them children, have signed up for Granite City park district summer programs and the figure is expected to swell after vacation church schools end later this month.

Included in the all-time high participation are 1293 youngsters who represent a 15% increase in summer playground enrollment. About 300 more are expected to join the program.

There are 900 in the boys' baseball program and 100 in the swimming instruction classes. There are still openings for 200 in the July swimming session. Softball, which includes primarily adult teams, has 573.

Other current enrollment figures: tennis, 220; pre-school classes, 149; baseball school, 110; boys' sports program, 150; girls' sports program, 109; gymnastics, 125 and dog training, 35.

Not included in the grand total are such activities as the "Music Under the Stars" which has already attracted 125 in its early stages or persons participating in the season swimming pass or St. Louis Municipal Open programs.

Sales of children's swimming passes stands at 211, well below the usual 400 figure. Six adult passes and 10 family passes, new this year, have been sold. Tickets for tomorrow night's

Muny Opera bus trip have been sold out but tickets remain for all but one of the other Tuesday night visits.

The shows and the number of tickets remaining are: June 23, "Showboat," 16; June 30, "Mr. President," 10; July 7, "Carrousel," 17; July 14, "Tom Sawyer," 25; July 28, "Damn Yankees," 24; Aug. 4, "Boys From Syracuse," 31; Aug. 11, "Porgy and Bess," 25; Aug. 18, "Sounds In Music," 21, and Aug. 25, same show, 41.

The July 21 trip to "Milk and Honey" has been sold out. That night, those on the trip will eat a box lunch on the stage and be given a backstage tour.

New Wheat Allotments May Be Established

New farm wheat allotments may be established for 1965 crop wheat on farms which did not have a 1964 allotment but which meet eligibility requirements, the Madison County Agricultural Stabilization and Conservation Service announced over the weekend.

Application for a new farm allotment must be filed in the service office, 110 North Main street, Edwardsville, by June 30. To be eligible a farm operator must expect to receive more than half of this income from the production of agricultural commodities, and neither the owner nor the operator may have an interest in any other farm which has a 1965 allotment.

Although no restrictions will be placed on the planting or harvesting of wheat in 1965, only those farmers with a 1965 allotment will be eligible for the disaster and certificate program.

Illinois Far Behind in Amount of Park Space

Is Illinois in need of new recreation areas, such as the proposed Horseshoe Lake state park? Newly-completed figures indicate that Illinois lags well behind comparable states and also nearby states in both the number of recreation areas and the number of acres available for recreation.

With 166 recreation areas having an acreage of 142,829, Illinois (with a 10,442,890 population) is providing 13.65 acres for each 1000 persons.

Ohio, meanwhile, with a 10,194,600 population, has 569 areas with 636,016 acres for a 62.5 recreational acreage figure. Pennsylvania, with 11,573,000 residents, has 526 areas with 4,446,850 acres for an average per 1000 people of 384 acres.

Trail, Missouri, Indiana

All neighboring states are far ahead of Illinois in average acres per 1000 residents. Indiana has 100, Iowa 102, Missouri 113, Kentucky 67, and Wisconsin 86. Michigan averages 642 and New York 198.

If the Illinois acreage total of 142,829 seems infinitesimal by comparison with Pennsylvania's 4,446,850 or Wisconsin's 3,509,115 or Michigan's 5,230,915, it is—by the time of several thousand and percent difference.

It is widely recognized that the state total is extremely low for its population, even considering the fact that mountain ranges and other topographical conditions have given some states abnormally high allocations of recreational land.

Half-Million New Acres Urged

Expansion, possibly in the neighborhood of a half-million acres, is being proposed to not only serve the needs of Illinois citizens but also to aid in attracting more visitors to the state. It is pointed out that action now would avoid having desirable lands converted to other uses.

While facilities offered by the different states vary, the statistics are based on state parks, state forests, reservoir areas, game areas, access areas and acreage on the Great Lakes.

Increasing emphasis is being placed on tourism and recreation. Already industries of considerable size, they are expected to expand rapidly as population, disposable income and travel by auto increase, and the average work week decreases.

With citizens having an increasing amount of leisure time, they must be able to find adequate places to spend it. And, from the aesthetic sense, it is deemed important to have "islands of nature" and other open space to complement urban land use.

Ways Of Cutting Costs

In many states, parks generate much of the revenue required to operate them.

This includes income from operated facilities, concessions, entrance and parking fees, miscellaneous sales and rental, and similar sources, not including hunting or sport fishing licenses.

Development and improvement costs also are reduced by utilizing prison inmates, abandoned public aid recipients and youth forestry camp members.

Sgt. Brokaw Listed For St. Louis Duty

Sr. M/Sgt. Jerry B. Brokaw, son of Mr. and Mrs. Edward Briggeman, 1312 Eighteenth street, has been transferred to St. Louis as an official Air Force recruiter. He was selected for the special assignment as a volunteer with an outstanding military record.

In preparation for the assignment, Brokaw received training at Lackland AFB, Tex. He is a graduate of Granite City high school. His wife, Dorothy, is the daughter of Mrs. Ora W. Lane, 2832 Indiana avenue.

Dr. Coleman Addresses GC Kiwanis on Communism

The threat of communism was the topic of an address heard by the Granite City Kiwanis at their regular meeting Monday night at the Rose Bowl. Harry Marshall presided over the meeting.

The speaker, Dr. Leo M. Coleman, Granite City dentist, outlined methods of communist infiltration in American universities and in Latin America. He said Americans must keep informed if the communist threat is to be averted. Sixteen members attended the meeting.

ROBERT GRAF (right), former Granite City high school student being congratulated by his wife, Brenda, and Jason Collins, coordinator of general studies at Southern Illinois University's Vocational Technical Institute, during an honors day reception at SIU. Mrs. Graf is secretary in the VTI administrative offices. Graf, an SIU business student, was honored for high scholarship. Graf is the son of Mr. and Mrs. William Graf, former Granite City residents who now reside in Golconda, Ill.

Hit-Run Car Damages Venice Weed Mower

Venice police today were seeking a hit and run driver who struck a city-owned tractor mower, forcing it into a concrete culvert, then fled the scene.

The accident occurred Monday in the 500 block of Salveur street. Raymond Bone, 43, of 126 Broadway, operator of the mower, reported to police he was cutting weeds, going north on Salveur, when an automobile, also headed north, sidwiped the tractor. Rods in the mower were broken in the impact with the culvert.

Tax Fund Investments Earn County \$48,000

The investment of county funds and protested taxes under a program initiated by Madison County Treasurer George Musso has resulted in additional income of approximately \$48,000 for the county.

Musso said that \$8504 of this amount has been earned from investment of about \$1,000,000 of protested taxes in 90-day U.S. Treasury notes. This money is being held in escrow until a court instructs the treasurer as to what fund is to receive it.

The balance of the interest has been received from investment of several funds: tuberculosis sanatorium, highway department, detention home and general revenue. Investment interest from specific funds is turned over to that particular fund, Musso explained.

Prior to the present program, largest amount of interest earned from investments was about \$7000. Investment of protested taxes has not been done

before and is now permitted under a recent amendment to state laws.

"Just 7 bucks* a month more for a Chrysler than for a Ford or Chevy? You've got to be kidding!"

"Nope. Just bought one."

No "ifs," "ands," or "buts" about it! We've got the figures to prove it! This big, beautiful Chrysler Newpor is priced less than \$7 a month more than a comparably equipped Ford Galaxie 500 or Chevy Impala.

We're not talking about a stripped-down Chrysler. We're talking about a full-size Chrysler. With a 361-cubic-inch V-8 engine. Power steering. Power Brakes. Pushbutton automatic transmission. Radio. Heater. The works! Everything you want on a big car.

Still skeptical? Come in. Talk price. We'll convince you.

*Payments based on manufacturer's suggested retail price of 4-door sedan, 15 down, 36 monthly payments. Excluding destination charge, state and local taxes, interest and insurance.

Pinney Heads Professional Division for UF Campaign

United Fund General Chairman Joseph Glick today announced the appointment of Bernard T. Pinney, St. Elizabeth Hospital personnel director, as chairman of the Professional division for the 1965 drive slated to begin in October.

For the past two years, Pinney has led the hospital employees section, a part of the division he now directs, in an upswing in contribution pledges. Other sections in his division are medical, legal, dental and other professional groups.

A retired captain of the Granite City fire department, Pinney is a Rotarian and a member of the Knights of Columbus and Chamber of Commerce. He has been active in the Salvation Army's "Tree of Lights" and in muscular dystrophy campaigns.

Two section leaders selected by Pinney are Dr. Irvin Wiesman, chairman of the medical section for the third consecutive year, and Dr. Albert W. Triant, who will head the dental section.

Dr. Wiesman will be assisted by Dr. Felicia Koch, a five-year United Fund campaign veteran. Mrs. Nora Madlinger, participating for her second year, and Thomas E. Rebert, methods improvement director for St. Elizabeth Hospital. Mrs. Madlinger will take charge of the medical

UNITED FUND Division Chairman, Bernard T. Pinney, who will lead the Professional division in this year's campaign.

office assistants department, with Rebert heading the hospital employees group.

The Professional division is one of two divisions which last year, under the leadership of Leo Konzen, exceeded its quota with contributions of \$7818. Announcement of the 1965 United Fund goal is expected in July.

Four Stop Signs Ok'd Along Terminal Ave.

Ordinance setting up four stop signs along Terminal avenue to control cross traffic were adopted Monday night by Granite City council members. The minimum fine is \$5 for a violation.

The signs are to be placed on Terminal avenue at Maryville road and on the following streets at their intersections with Terminal and National avenues.

Donald Hoelscher in SEATO Training Exercise
Seaman Donald Hoelscher, son of Mr. and Mrs. George R. Hoelscher, 112 Central avenue, has completed a combined sea assault and combat training exercise aboard the USS Eldorado in the Philippines.

The exercise was directed by the Southeast Asia Treaty Organization (SEATO).

Donald Bush Promoted, Serving in Germany

The promotion of Army Specialist Four Donald Bush of Granite City to sergeant E/5 has been announced this week. Bush is presently stationed in Orensbau, Germany, where he was joined recently by his wife, the former Miss Judith Revella, and their daughter, Lorinda.

The family is expected to remain overseas for approximately two years.

Corporation to Convert Building at 2025 Edison

An Illinois corporation charter has been granted to 2025, Inc. to operate a commercial building at 2025 Edison avenue, with Mr. and Mrs. Peter G. Markuly and Mr. and Mrs. Stanley O. Schermer as shareholders. The corporation will remodel and convert the former four-family apartment building presently located at the site.

Financial Support Sought To Explore Monks Mound

A St. Louis industrialist and author is developing private financial support for excavations at Monks Mound this summer for the Illinois Archaeological Survey, according to Melvin L. Fowler, acting director of the Southern Illinois University Museum and supervisor of the project near Collinsville.

Nelson Reed of St. Louis, official of the Reed Rubber Products and author of the book "The Castle War of Yucatan," published by Stanford University, is raising funds for the work there this summer.

James W. Porter, research archaeologist at the Museum, will direct the summer program, which will involve excavations on the big mound, seeking ceremonial structures built by prehistoric Indians over 1000 years ago.

During July, Kay Mitchell of Harrisburg, a graduate assistant in the museum, will make a detailed topographic map of the area for guidance of field parties in excavations.

Mrs. Hanfelder Attends State Board Session

Mrs. Ida Hanfelder, District 29 director, Illinois Congress of Parents and Teachers, has returned from a four-day meeting of the ICPT state executive board at Northern Illinois University, DeKalb.

The conference was the first of three executive sessions held annually when state business, ideas, programs and legislative issues are discussed by the 36 district directors and state officials.

Mrs. Hanfelder, of Thorngate Drive, is responsible for 92 local PTA units having a total membership of over 11,000 in the counties of Madison, Macoupin and Jersey.

1621 Tenth. June 19-20-21

**Sixteen Bankruptcy
Petitions on File**

Sixteen petitions in bankruptcy have been filed with the U. S. referee in bankruptcy at Springfield, according to the Associated Retailers and Civic Association Inc., of Granite City.

Those listed include: Granite City—John H. Caven, 1228 Edwardsville road; Franklin D. Daniels, 2247 Grand avenue; Ernest W. Howard, 2212 Terminus avenue; Robert E. Howton, Rural Route One; Eugene W. Kunze, 2105A Delmar avenue; William R. Leffler, Rural Route One; Dan F. Mirabal, 4037 Rodeo avenue; Maurice E. Olson Jr., 4329 Maryville road; Calvin F. Penrod III, 2923 Cayuga street; Norbert H. Schade, 3340 Village lane; Arthur D. Slames, 2801 West 22nd street; Lloyd Weir, 1712 Delmar avenue; and Harry E. Westwood, 2905 Roosevelt avenue.

Madison—Raymond Callender, 1115 Madison avenue; Algie Crawford, 639 Mercedia street; Richard D. Lee Uehaus, 1542 Seventh street.

PROCLAMATION

WHEREAS, there are many citizens over 50 who are not aware of the many available and varied activities offered as part of the YMCA as a member of the Senior Citizens Group; and

WHEREAS, knowing this program to be beneficial, worthwhile, interesting and

NOW, THEREFORE, we, the mayors of the Quad-Cities, wish to focus the attention of the public upon the week of June 21 to June 28th as a Membership Drive Week for all Senior Citizens of this community.

LEONARD R. DAVIS, Mayor, Granite City.
STEPHEN A. MAERAS, Mayor, Madison.
DR. JOHN E. LEE, Mayor, Venice.
THOMAS STAIKOFF, Mayor, Pontoon Beach.

**Lt. Causey Completes
Survival Training**

First Lt. John B. Causey, son of Mr. and Mrs. Van T. Causey, 2824 Willow avenue, has completed training at the Air Force Survival and Special Training School at Stead AFB, Nevada.

An electrical warfare officer, Causey was trained in methods of survival under unfavorable weather and environmental conditions.

A graduate of SIU, Carbondale, he has been reassigned to Shaw AFB, S. C., for duty in the Tactical Air Command.

**Bill List for GC
Totals \$21,387**

A bill list totaling \$21,387 was approved Monday night by Granite City council members, with the highest payment totaling \$11,683 going to David J. Johnston & Associates for engineering services on four motor fuel tax projects.

The payments to Johnston, who is being replaced by a St. Louis firm for MFT work, were \$3273 for the proposed \$168,848 project on Wabash avenue; \$3813 for the proposed \$207,354 project for paving a section of Johnson road east of Nameok road; \$3182 for the proposed \$397,429 Woodlawn avenue improvement project; and \$1424 for the \$71,638 project combination for Olive and Chestnut streets improvement.

The bill list also included \$332 paid to Clarence Whitford for cutting weeds on 125 lots at \$2,650 a lot; \$1800 paid to Tovers Fire Apparatus Co. for 1000 feet of 2 1/2-inch fire hose, \$1436 for fuel, maintenance and parts for city equipment; and \$13 for purchases of plants and seeds for a city lawn flower bed.

Expense allowances on the bill list included \$100 for Civil Defense Director Victor Koenig and

**148 Licenses Obtained
By County Businesses**

Madison county has issued amusement and transient lodging licenses to 148 persons or business establishments in unincorporated areas of the county so far this year, producing a record of \$3600 in county revenue from the source.

The investigation and license committee of the county board of supervisors, which is continuing a drive for the collections of 1964 license fees, is discussing further steps before referring holdouts to the state's attorney's office for prosecution.

Robert Gaughan of Granite City, committee chairman, said 20 more licenses have been issued than during the same period last year. The \$25 permit fees cover operation of motels, pinball machines and juke boxes. The licenses were due Jan. 1. Penalties for violations range up to a \$200 fine.

\$30 for Alderman Charles Moecken.

'Artists in Action' Show Opens Tomorrow

An additional \$25 award for the "best of show" exhibit has been added to the cash prizes for award to local artists participating in the first annual Artists-in-Action show, slated for the sidewalks of downtown Granite City, tomorrow and Saturday.

Announcement of the top award, which increases the total prize money to \$175, was made today by Julian Loew, chairman of the Downtown Granite City Shopping Center Association. Featuring over 300 art works by 43 area artists, the show will include exhibits in oils, water colors, charcoal and pencil, prints, pen and ink, ceramics and sculpture. Many will be available for purchase.

Displays may be inspected by the public on Friday from 9 a.m. to 8:15 p.m. and from 9 a.m. to 6 p.m., Saturday. Exhibits will be judged Saturday afternoon by Sister Camelia of the Ursuline convent, Alton; William Bauer, St. Louis; and Louis B.

County May Buy 5-Acre Site For Dog Pound

Roy Halbe, Hamel township supervisor and chairman of the county board's rabies committee, is negotiating for the purchase of a plot of five acres of ground near Carpenter for location of the county's dog pound. Purchase price is \$2500, and the board has authorized the purchase if the property can be rezoned for the pound.

A plan advanced several months ago to locate the pound near the city limits of Edwardsville was protested by residents and by the city of Edwardsville. The rabies committee also has employed John Martin of Wood River as the county's dog catcher. Martin formerly was a plant guard at the Rosana Shell refinery.

Rezoning Topic At Nameoki Meeting

Rezoning of a tract adjoining Fairmont race track was the topic of business at the Monday night meeting of the Nameoki town board.

Township Supervisor Harry Briggs was advised to conduct a hearing with the Fairmont Park Jockey Club on July 1 concerning the section of land, now used for stables but zoned as a residential area. A special use permit may be issued.

The board will continue to receive bids for an air conditioner and a water fountain. It also announced that further anti-rabies inoculations for dogs will be given Monday, June 22, from 6 to 8 p.m. at the Long Lake fire station. The next meeting of the board will be July 6.

GO TO CHURCH SUNDAY

Acting CD Director

Assistant Civil Defense Director Floyd T. Mitchell, 3132 Colgate drive, is serving as acting CD director during a two-week vacation absence leaving the city of Victor H. Koentz. Mitchell may be reached at TR 6-1280, or TR 6-2429.
